Dear Roberts
Yes it has been a good year and we've had the best of times but I don't want to sound like an annual writer. We've been best friends since the day I walked into Mrs Hancocks 7th grade now three years later, we are still the best of friends. I'm glad, very glad! We have been through a lot together; life and hell. I enjoy you and listening to your sometimes most spending a day or even thoughts. I enjoy having you over even though you're putting up with me, my attitude and crazy actions. Now that Lucko is gone, I wish to be a Dancer Singer and life keeps the same! I think I have almost house; I like it in the way that society is to my house. Thank you for coming over and my sometimes crazy actions. Now that Lucko is gone, I wish to be a Dancer Singer and actor, and my Spanish tutor, life will be strange and covered every thing as I love you has set up for to men to love. Wherever

Echoes of the Past

We are reminded of the past that shapes our present and gives hope for a productive future. The sights and sounds of our heritage are echoed into realism by our day-to-day actions.

We look back to past experience for guidance and find that the trends have changed, but the people remain basically the same. We are impressed by our forefathers and hope that our imprints are as meaningful to future generations, because we realize that one day, we will be the past.

1976 Warrior Dedication

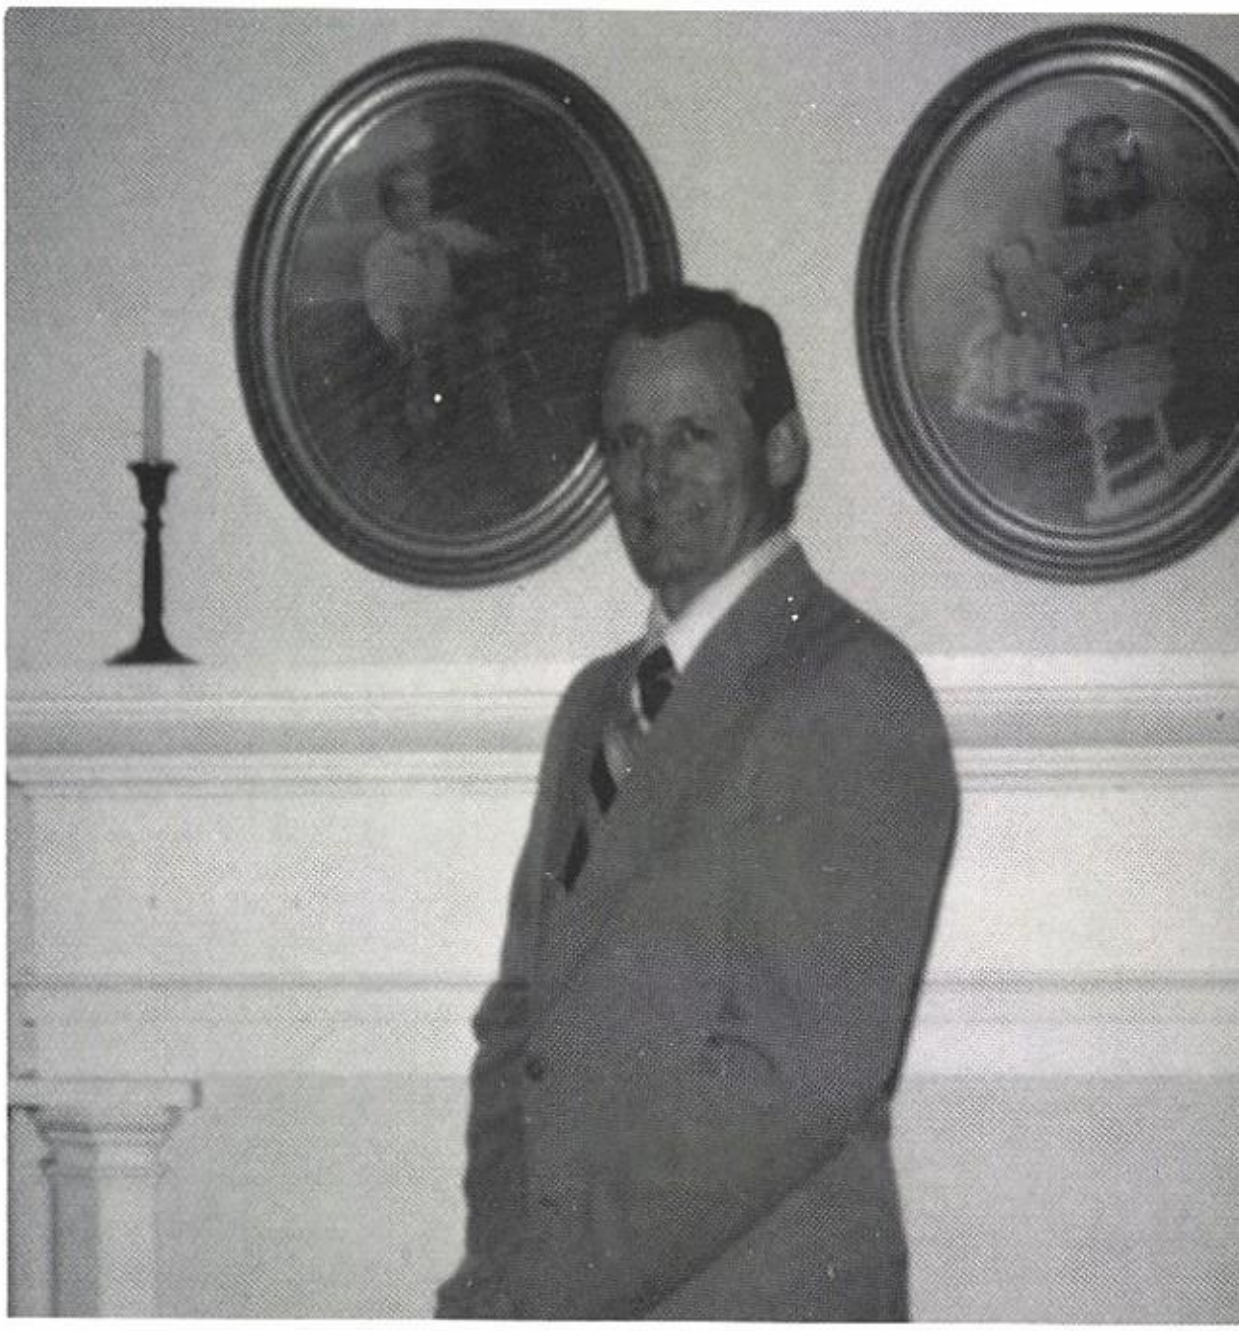
The loyal friends of Brookwood School are numerous. Countless students, teachers, parents, friends and supporters labor endlessly for her success. But there is one among these steadfast workers who maintains his status as the greatest single contributor to Brookwood in terms of time, labor, interest, leadership, and financial assistance.

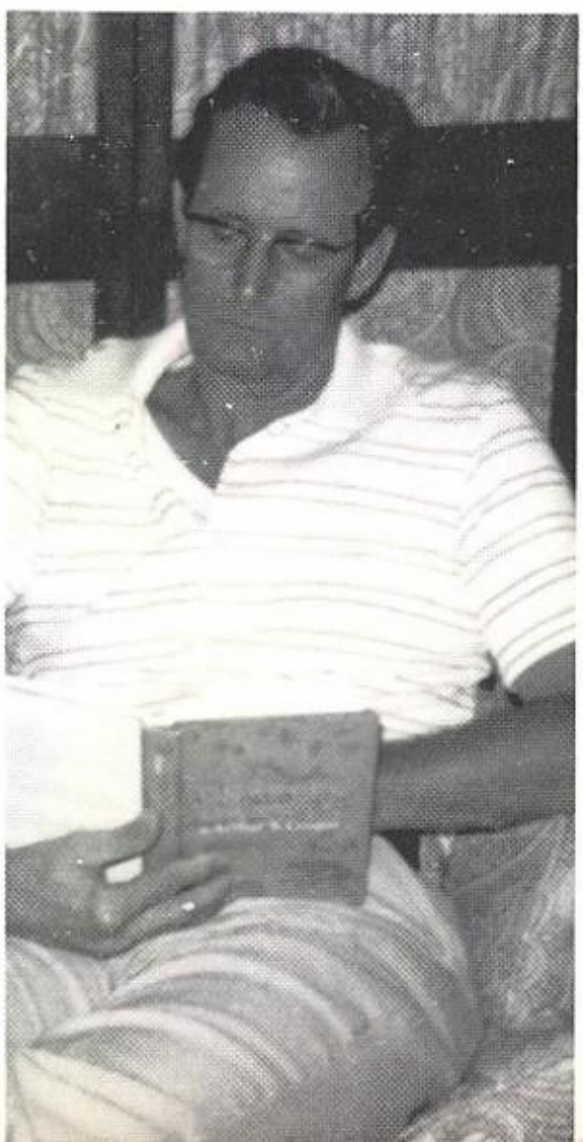
The Chairman of the Board of Trustees during the first two and one-half years of Brookwood's existence was responsible for bringing into its fold almost every Cairo family, without whom Brookwood would have had 37% fewer students.

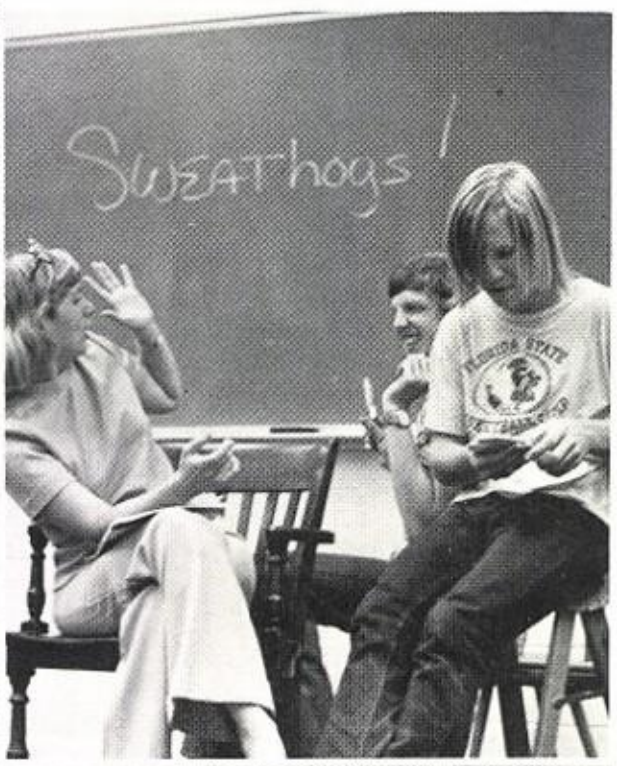
This friend of Brookwood has worked untiringly in many areas of school affairs from executive meetings with the headmaster and board to laying sod and planting all the shrubs around the campus. Students and parents alike have been guided by his leadership as he directed weekend work crews in improvement projects for the school grounds.

As a Brookwood parent, he has opened his home to dozens of student and board functions. This year's Senior Class chose his lovely home, Susina Plantation, as the setting for their senior portraits.

Because of all his many and diverse contributions to the welfare of all of us here at Brookwood School, the Senior Class of 1976 dedicates with love and gratitude this Bicentennial WARRIOR to Mr. A. Heywood Mason.







Faculty

Teachers have numerous reponsibilities ranging from judging pep rallies to aiding students in back work. They help organize homecoming, fashion shows, literary publications, and the academic bowl. They teach classes from art to biology, sponsor clubs, chaperone class trips, go to NAIS meetings for three days in Atlanta and endure students' practical jokes. They even go so far as driving school buses and cutting grass.

Classes

This year the students have actively participated in their class projects. The seniors have planned their trip to the Bahamas. Slave day and car washes were among many money raising projects, for the Juniors. The Sophomores have had many bake sales to get ahead in the money contest. Plans were made by the Freshman to go tubing. The eighth graders made a trip to Disney World. The seventh graders have had a new experience since this was their first year in junior high. The elementary grades have had an exciting year with many field trips and learning new things from books and experiences.

Sports

Sports may be viewed in many different ways. To many people, it is just a game that is amusing to watch. However, to others, it is a serious conflict between bodies and even spirits of people struggling toward the ultimate victory.

One thing is for sure. Sports build moral character inside an athlete which makes him a better all-around person. Sports also unite the entire student body behind a common goal: the goal of winning.

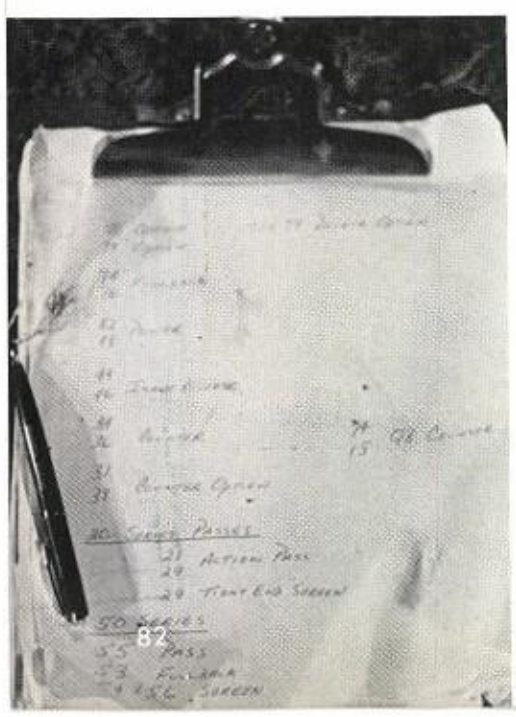
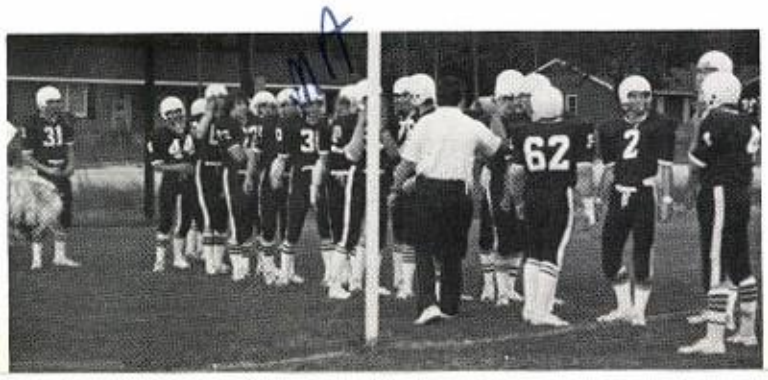
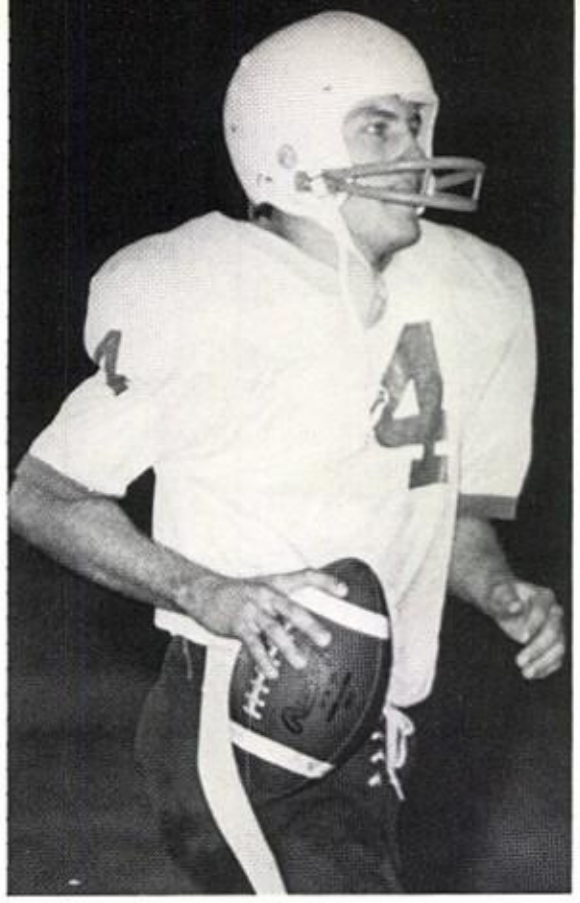
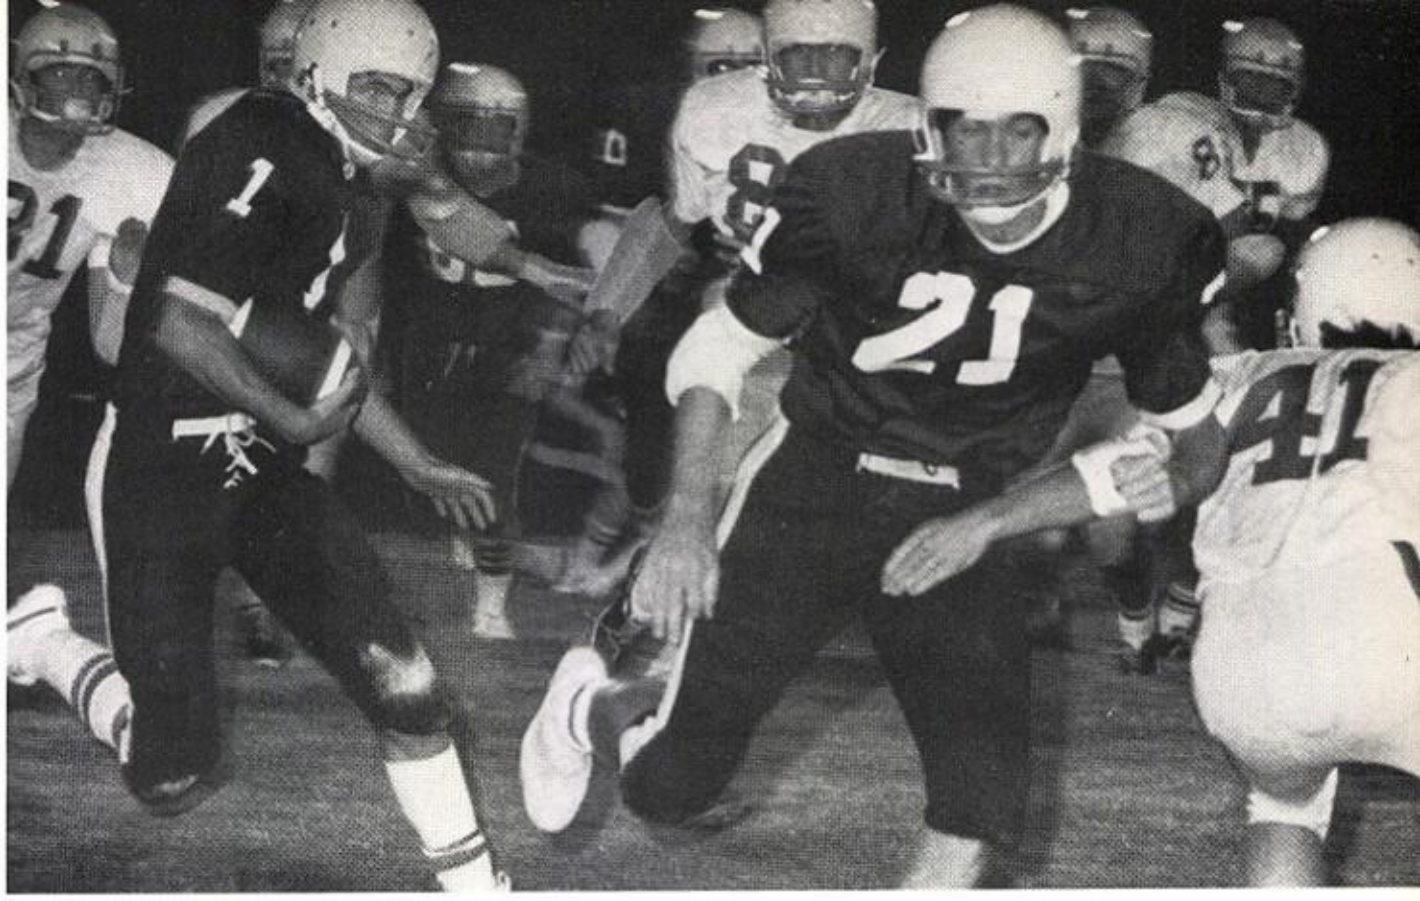
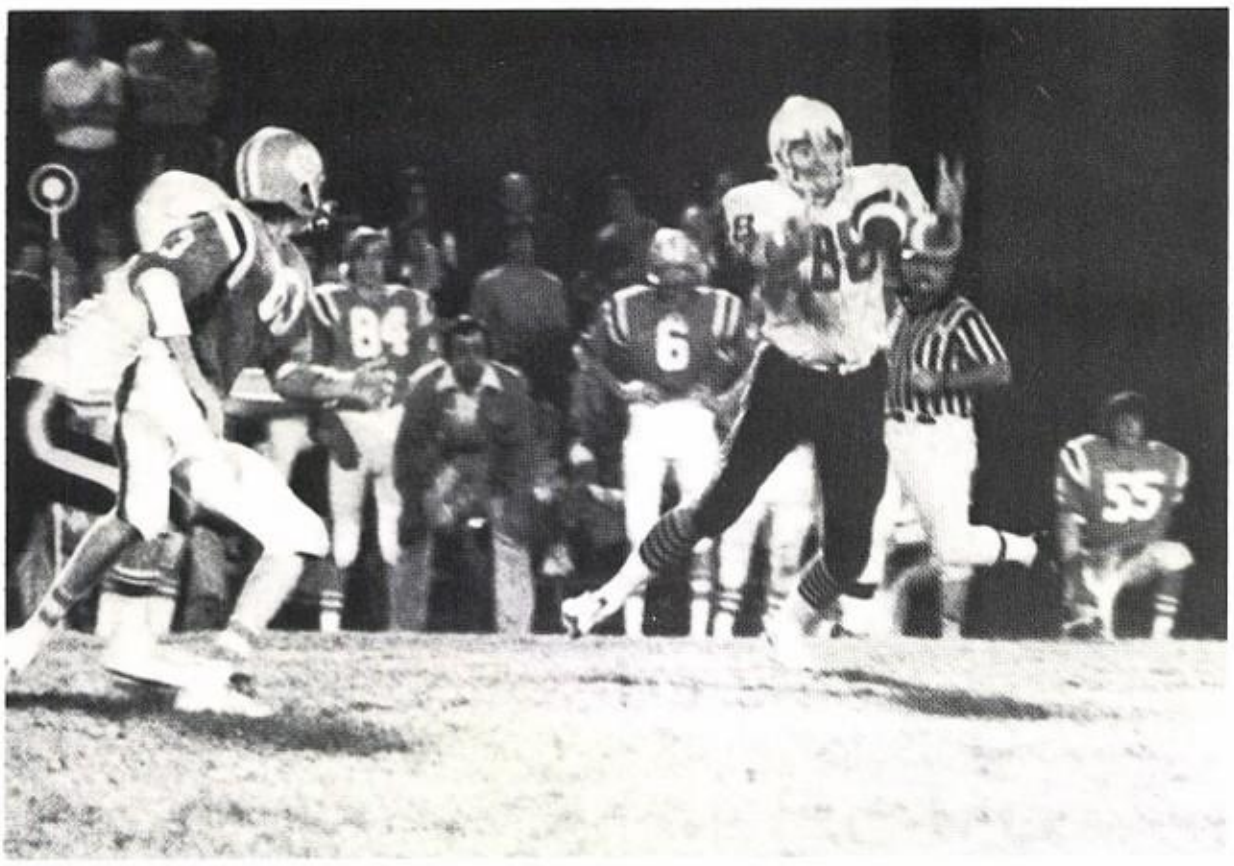
The road to the state championship was quite a long, tough one that started in the hot August sun. The players worked in this grueling heat for three weeks before finally culminating in the first home game with a win. This was the first of 12 for the State Champs.



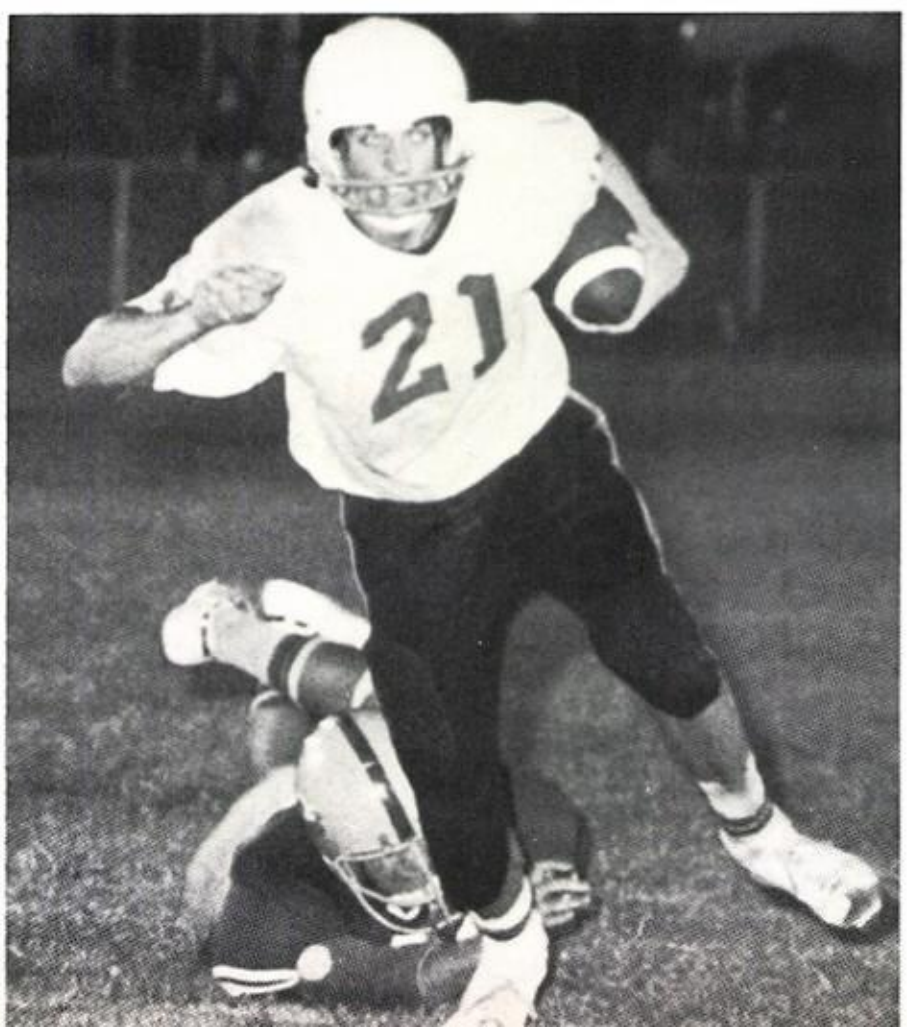




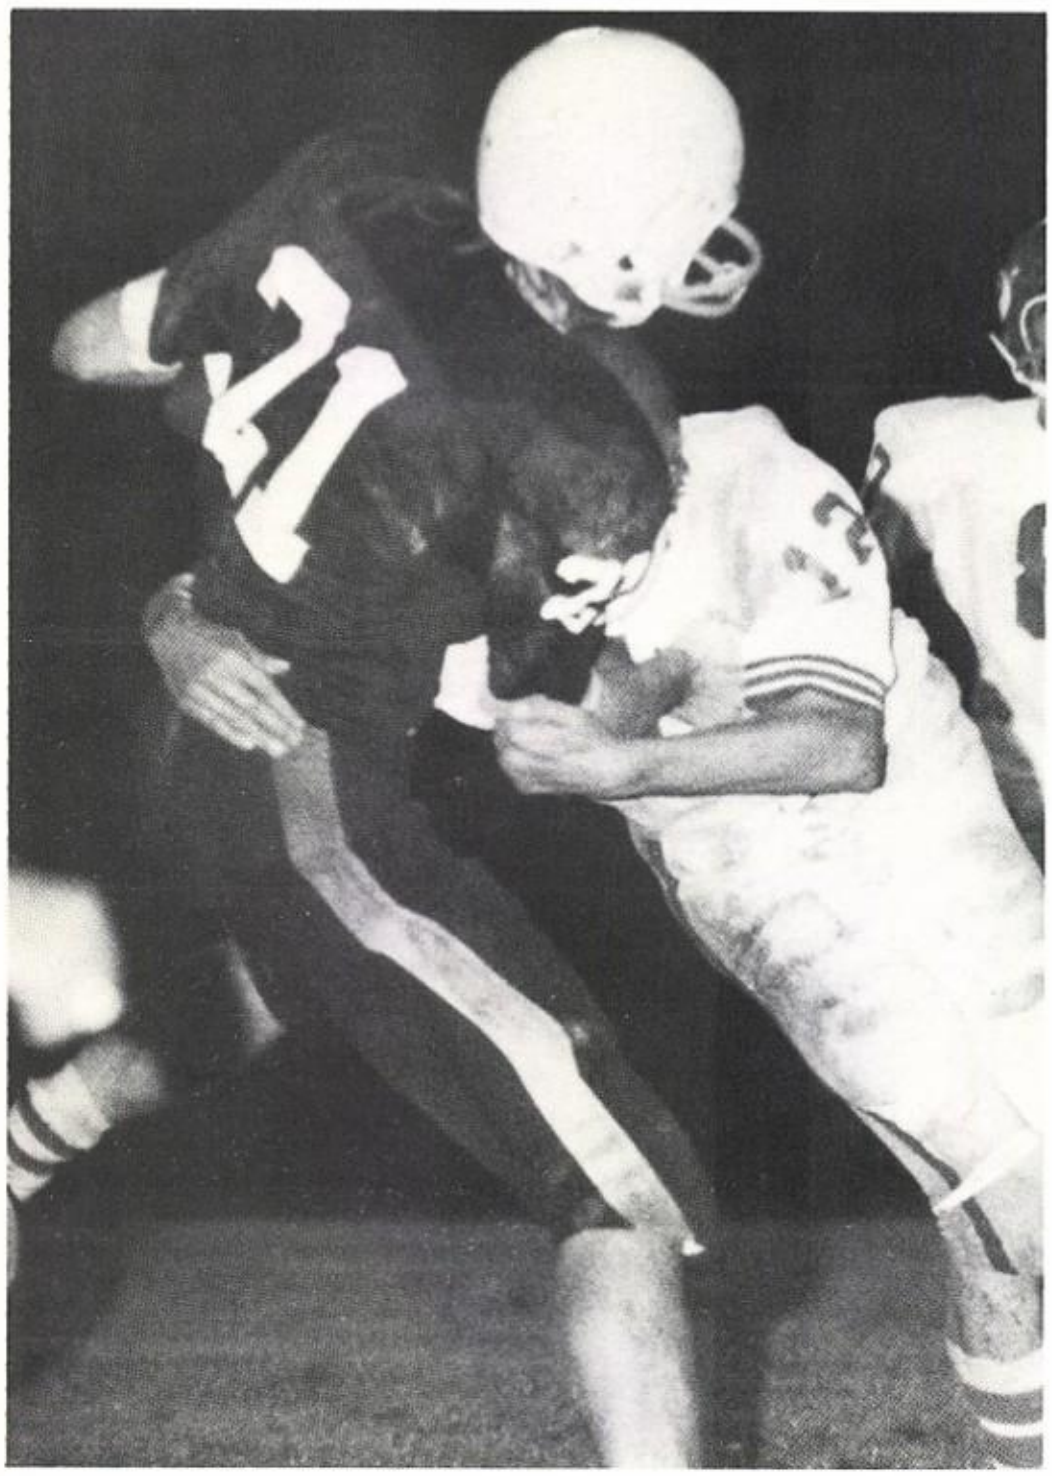


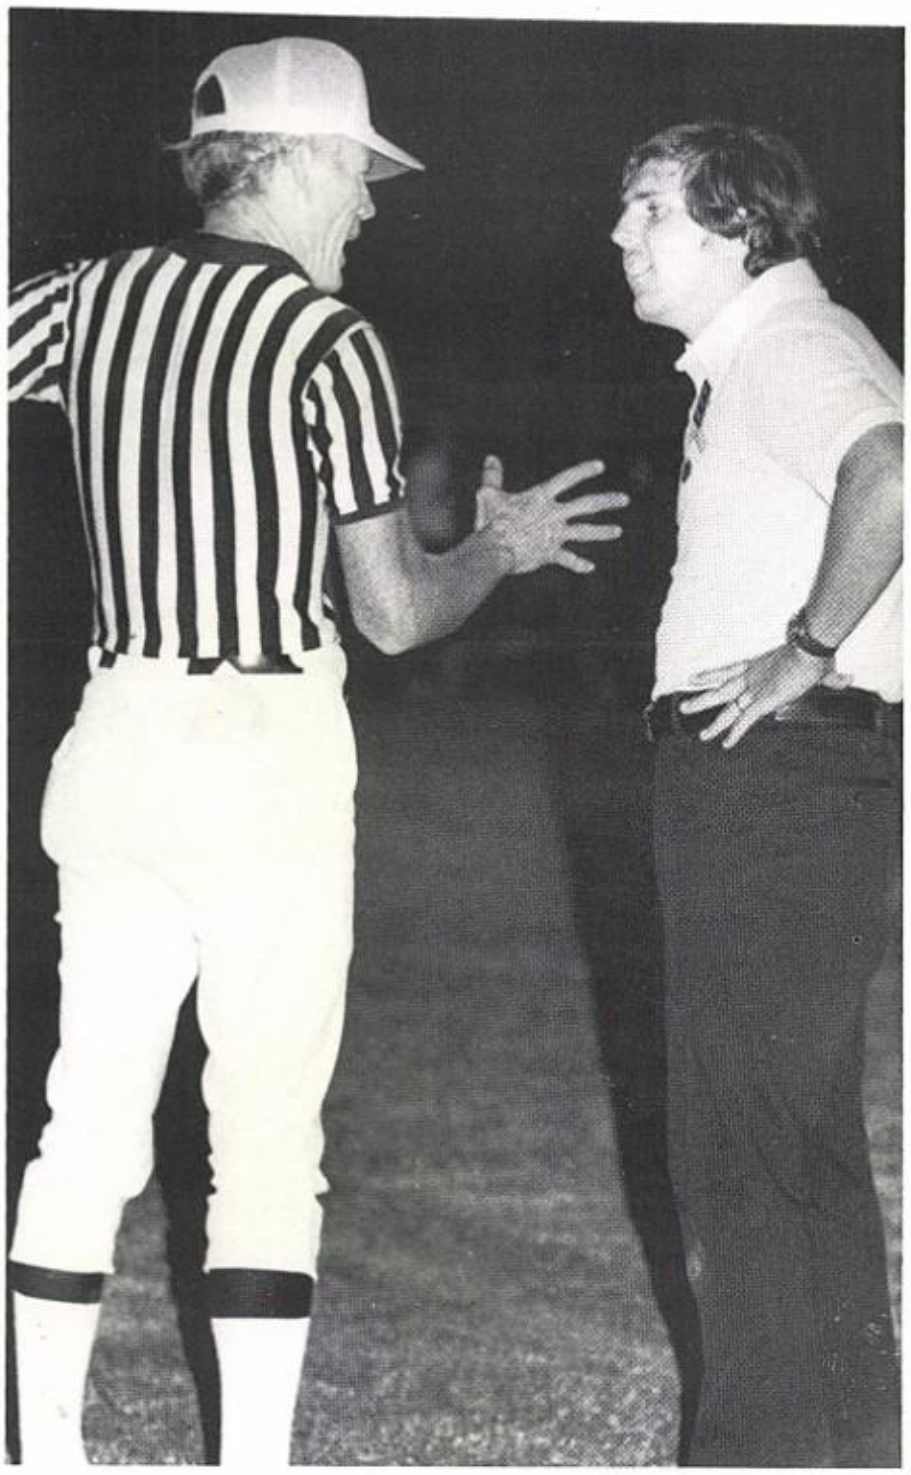


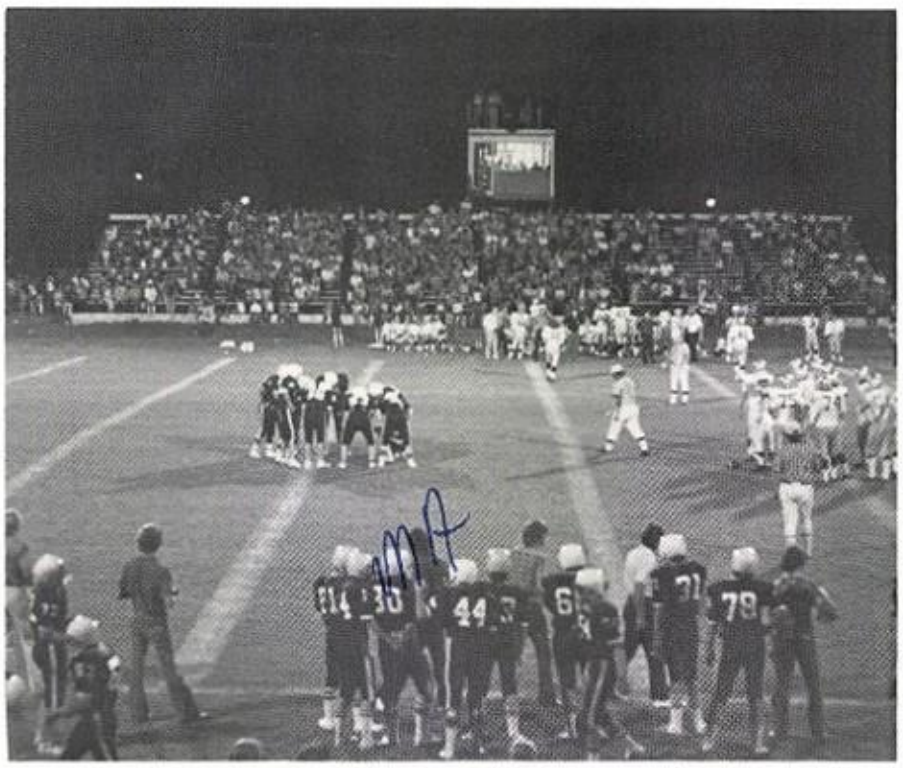
Two Warrior running backs, Steve Miller and Brad Alexander, became the first players in Brookwood football history to rush over 1000 yards. Their accomplishments were so spectacular they were dubbed the "touchdown twins." The two were pushed ahead by the State Quarterback, Robert Horne, who ran the option offense to near perfection. The Warriors jelled as a real team when combined efforts enabled them to defeat Deerfield, an AA team, 13-6.

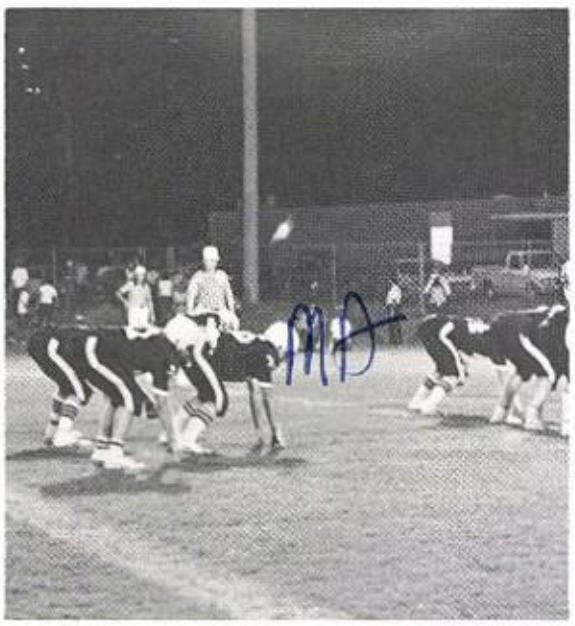


Coach Smith experienced a wide range of emotions during the season. Most were looks of exultation at records being set, points being scored. He was fortunate enough never to have to display the feelings of a loser.

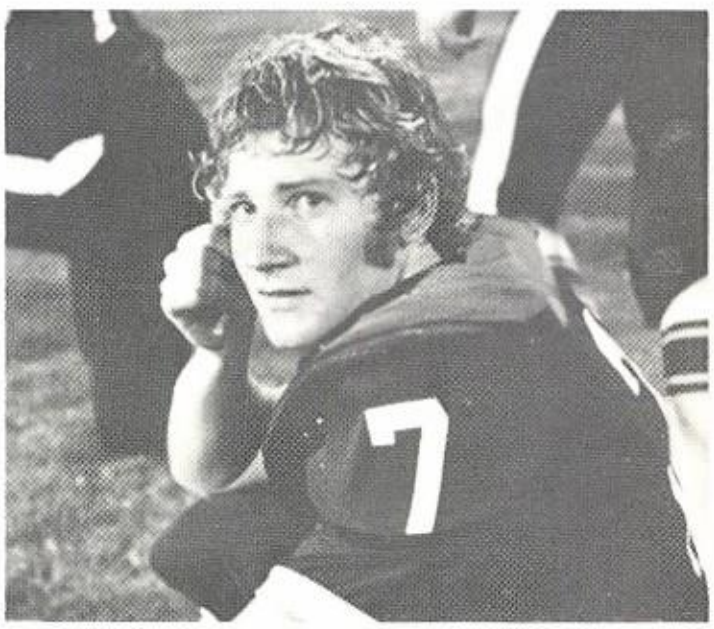


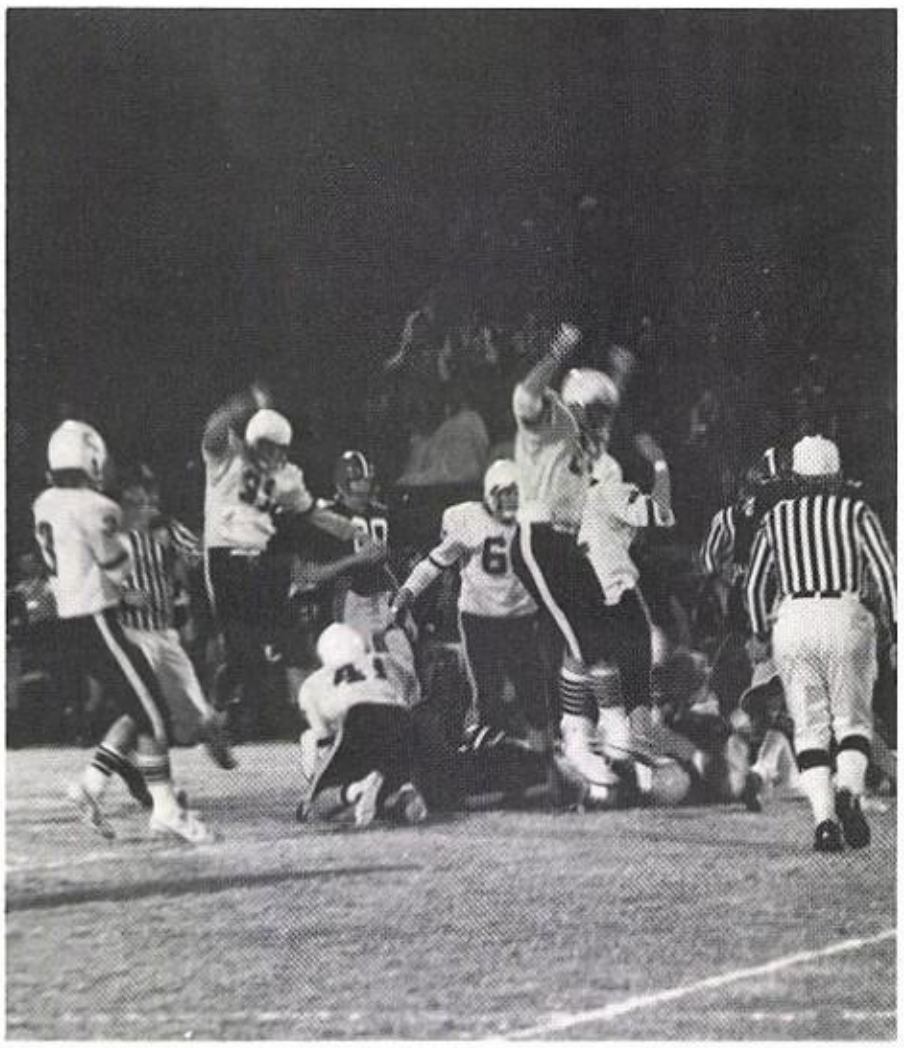


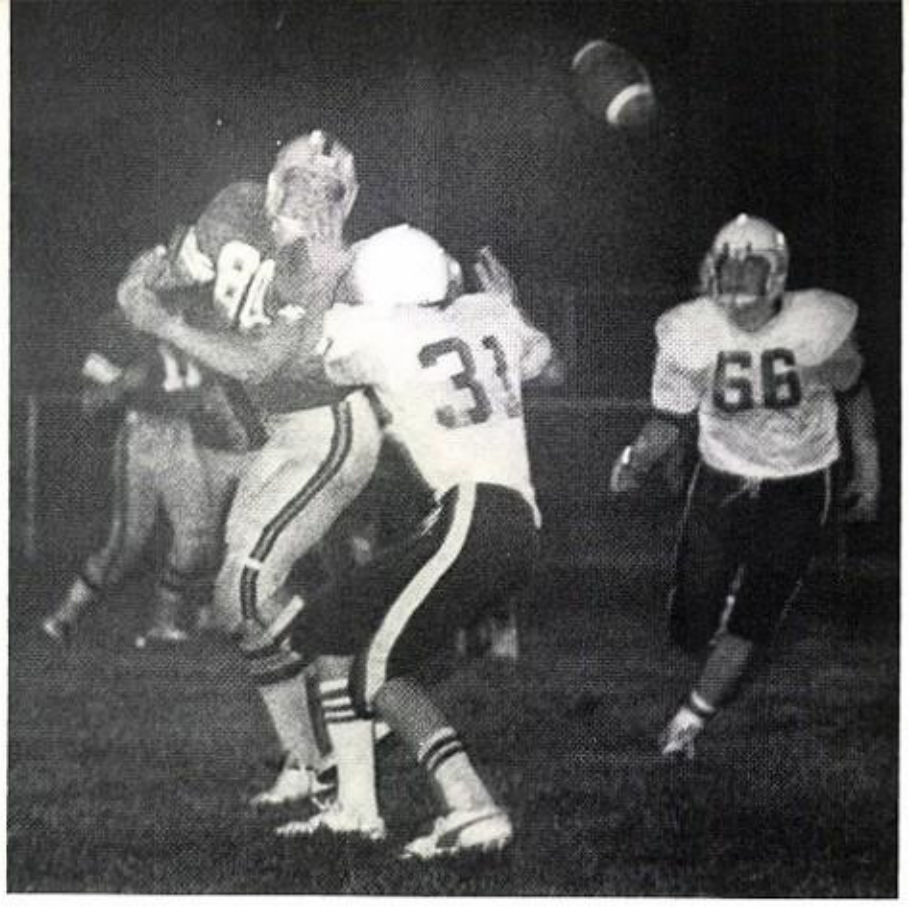


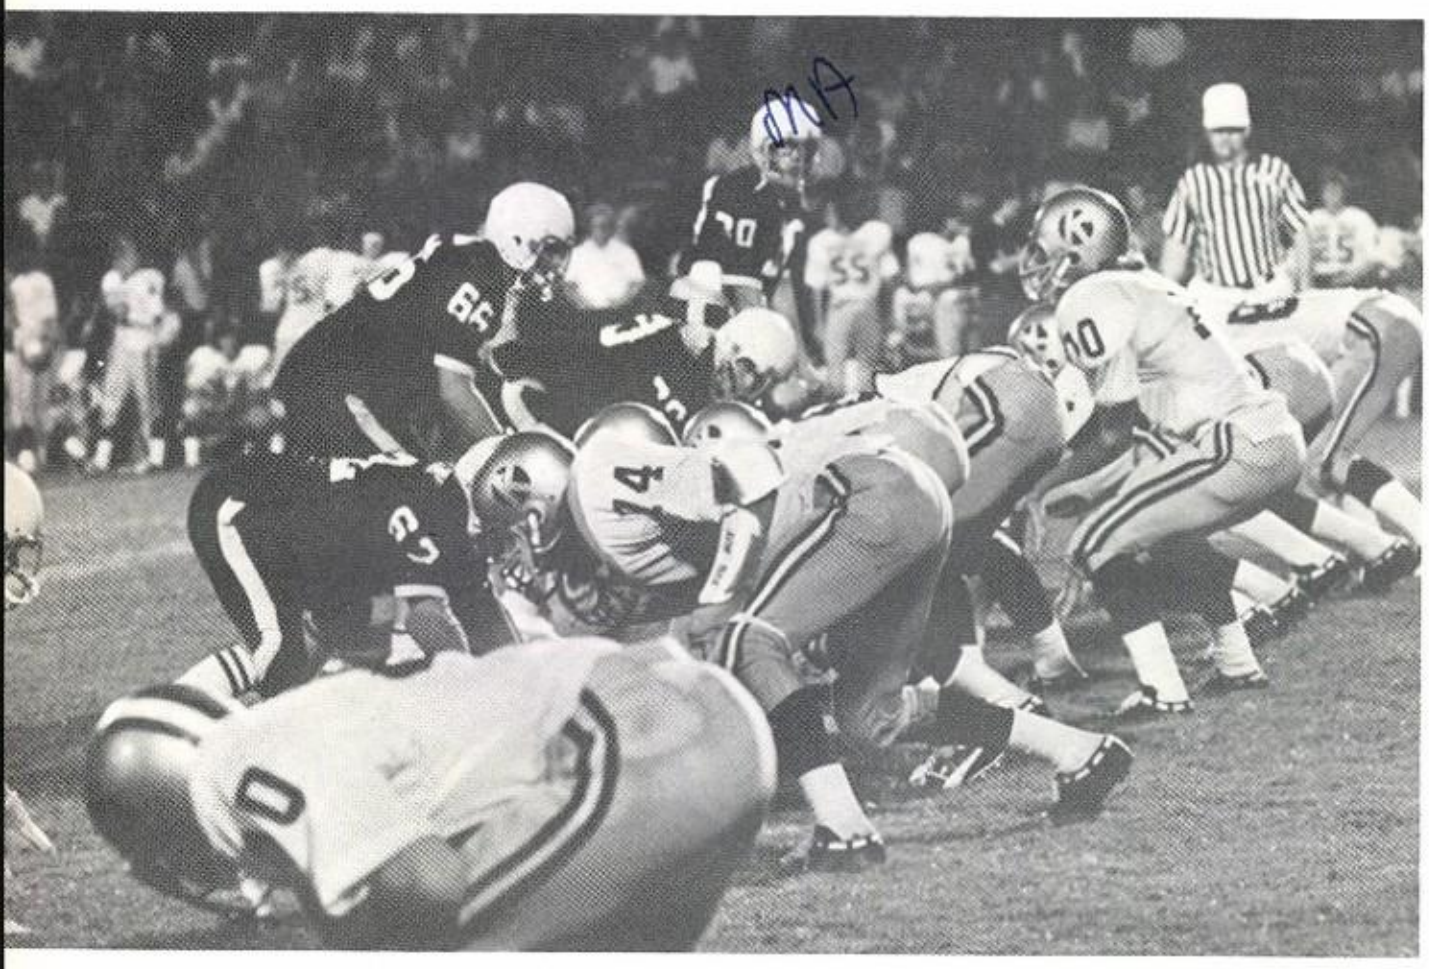


Coach Smith discovered by accident a fine kicker in our AFS student, Ian Quinton, as Ian walked onto the field one afternoon. The whole team was surprised when they got their first taste of real "football weather."

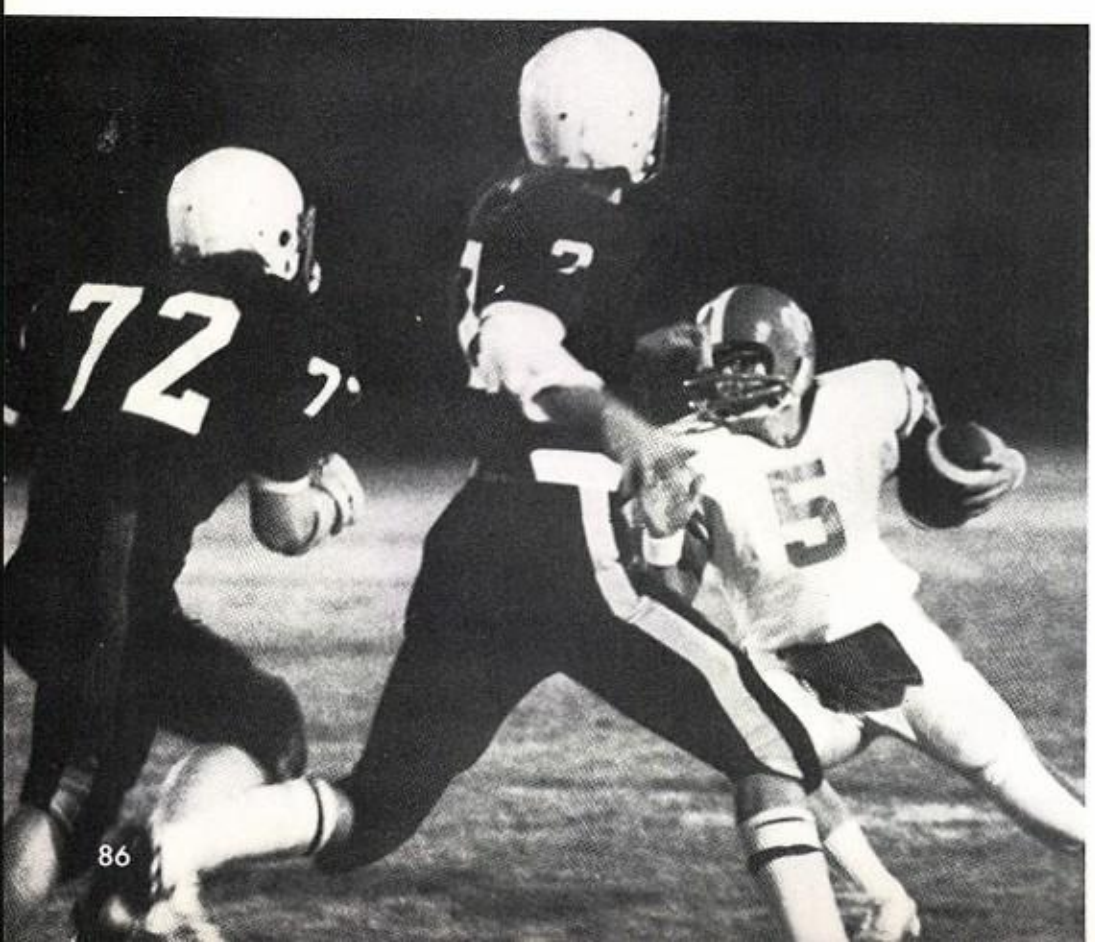


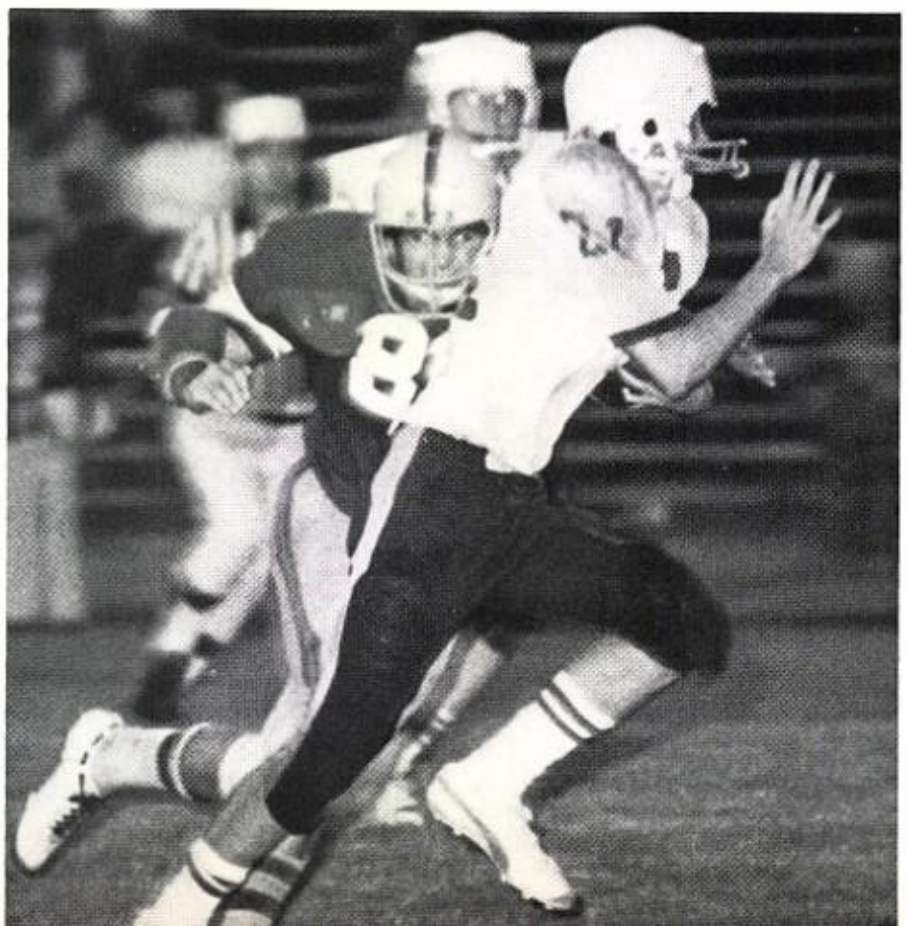


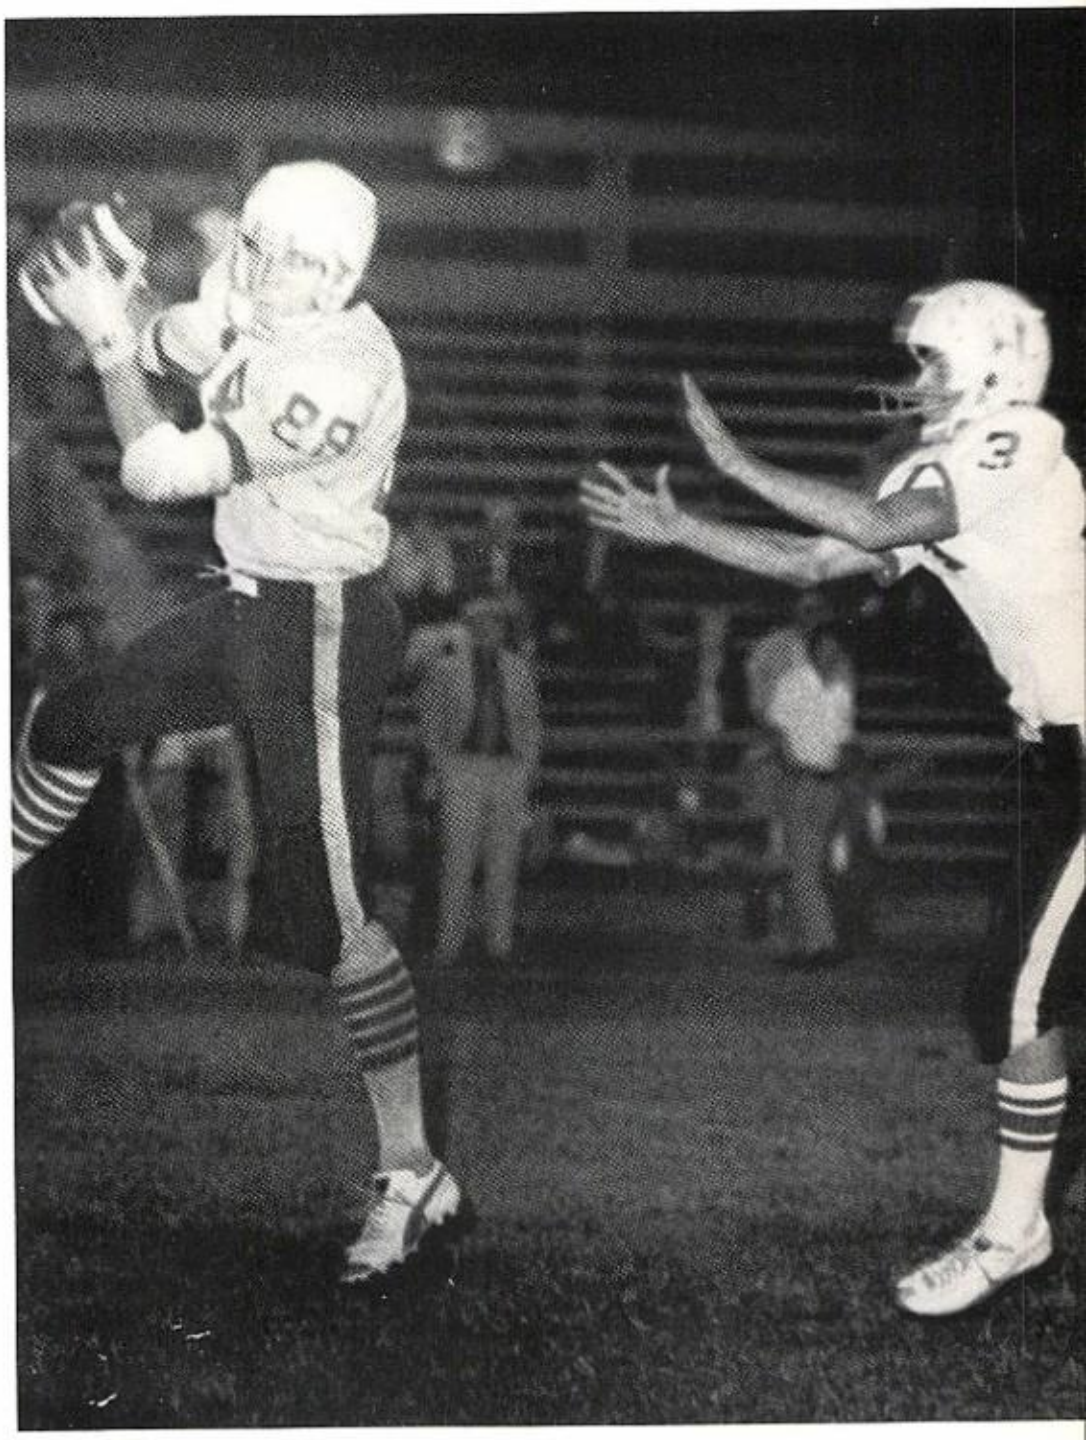




The Warriors vaulted over another peak in their drive to the Championship by trouncing the Crusaders of Robert Toombs 47-16 in a rematch of the South Ga. title game of the previous season. Southwest Ga. also proved to be no contest for the Warriors. And Pineland became a big rival as Brookwood stomped the Eagles 63-0.







Achievements Are Rewarded and

BANQUET AWARD WINNERS. BOTTOM, Left to Right: Scott Lyle - Offensive Lineman Award, Steve Miller - MVP, Ken LeGette - Offensive Lineman, Robert Benton - Best Defensive Lineman, Bubba Allen - Most Improved. TOP ROW, Left to Right: Robert Horne - Warrior Award, Harris Strickland - Most Versatile, Charles Allen - Defensive Linebacker, Brad Alexander - Best Defensive Back, Joe Tumer - 100% Award, Don Jones - Sportsmanship.

During the 1975 football season, numerous goals were set and records broken. Steve Miller became the first person in the history of Brookwood football to rush for 1000 yards in one season. Steve had an average of 12.7 yards per carry and had a total of 1402 yards for the season.

Brad Alexander soon became the second person to reach the 1000 yard mark. Brad had an average of 13.9 yards per carry and 1321 total yards for the season.

Records Are Broken

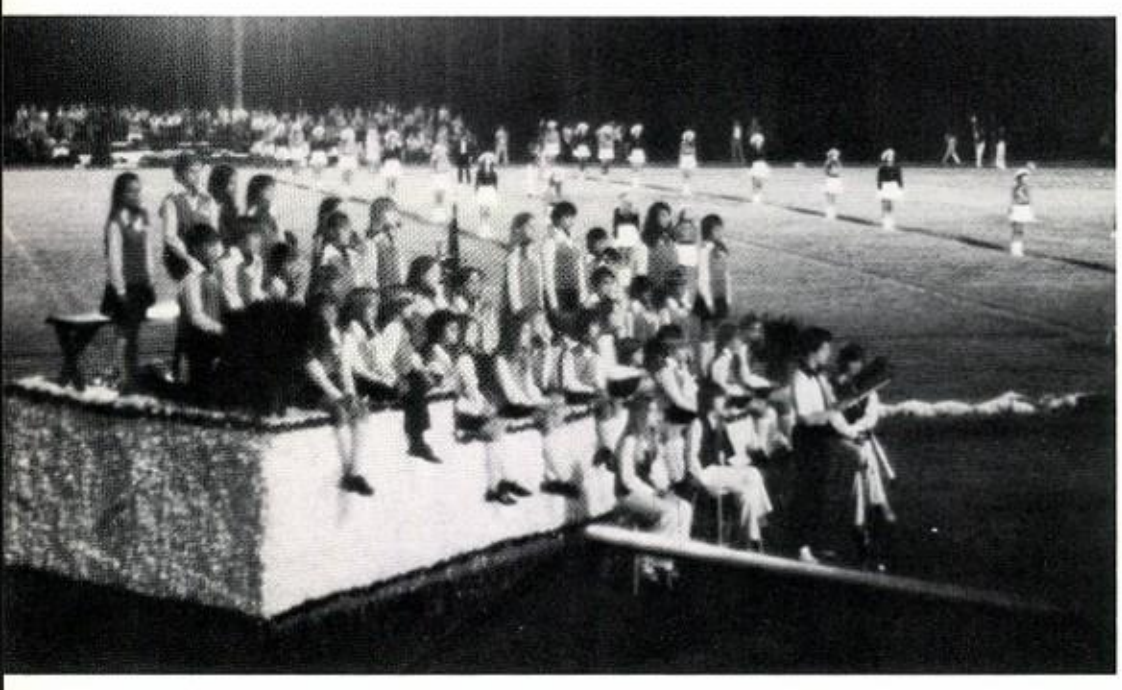
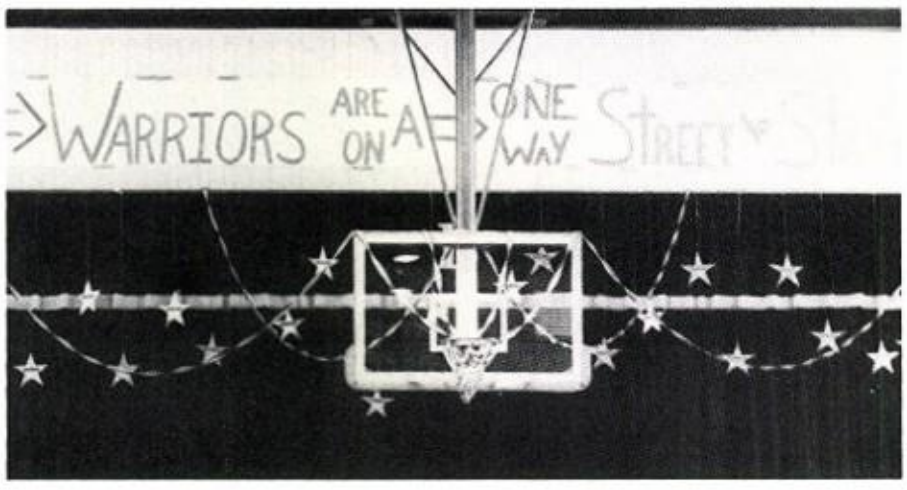
Homecoming 1975

Homecoming for 1975 was marked by a spectacular homecoming halftime show, a victory over Westwood, the traditional wall contest and finally by the crowning of the queen. The 4th — 12th grades were involved in the halftime show while the 7th — 12th competed in the gym for the honors of best wall. The Senior class won the contest, but the whole week was one of school spirit for all.





1975 Homecoming Queen

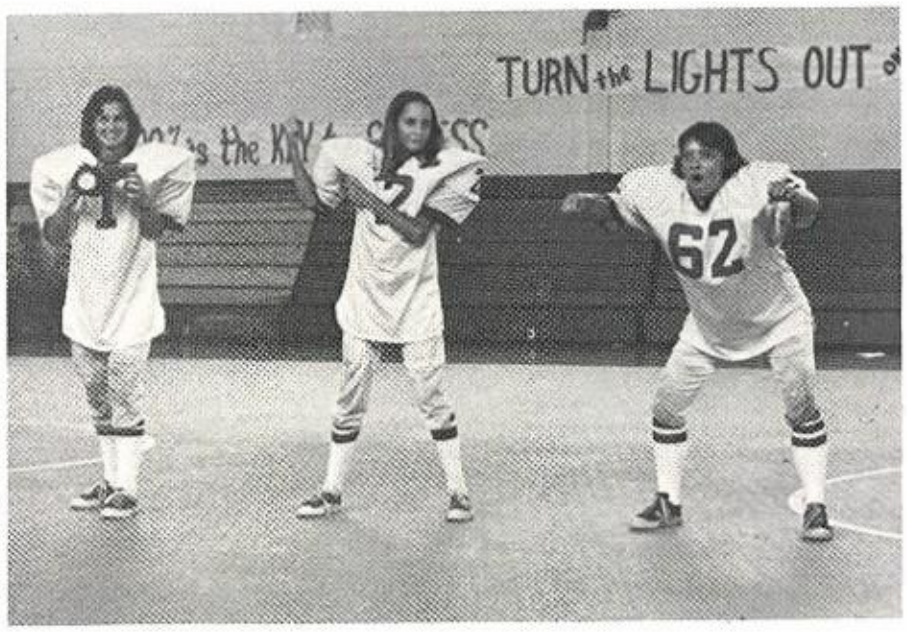
Sheri Burton

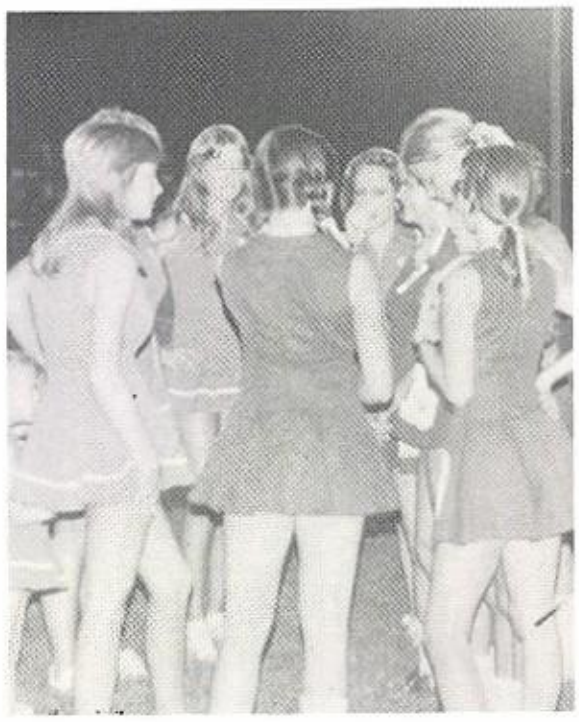
This year Brookwood initiated for the first time a Homecoming Court. The Homecoming Queen is selected from the Senior class, but representatives are chosen from the 9th, 10th, and 11th grades. This year's court members were Jackie Varnedoe, Julie Cheney, and Lisa Adkins.

Cheerleaders Exemplify Spirit, Hard Work, Dedication

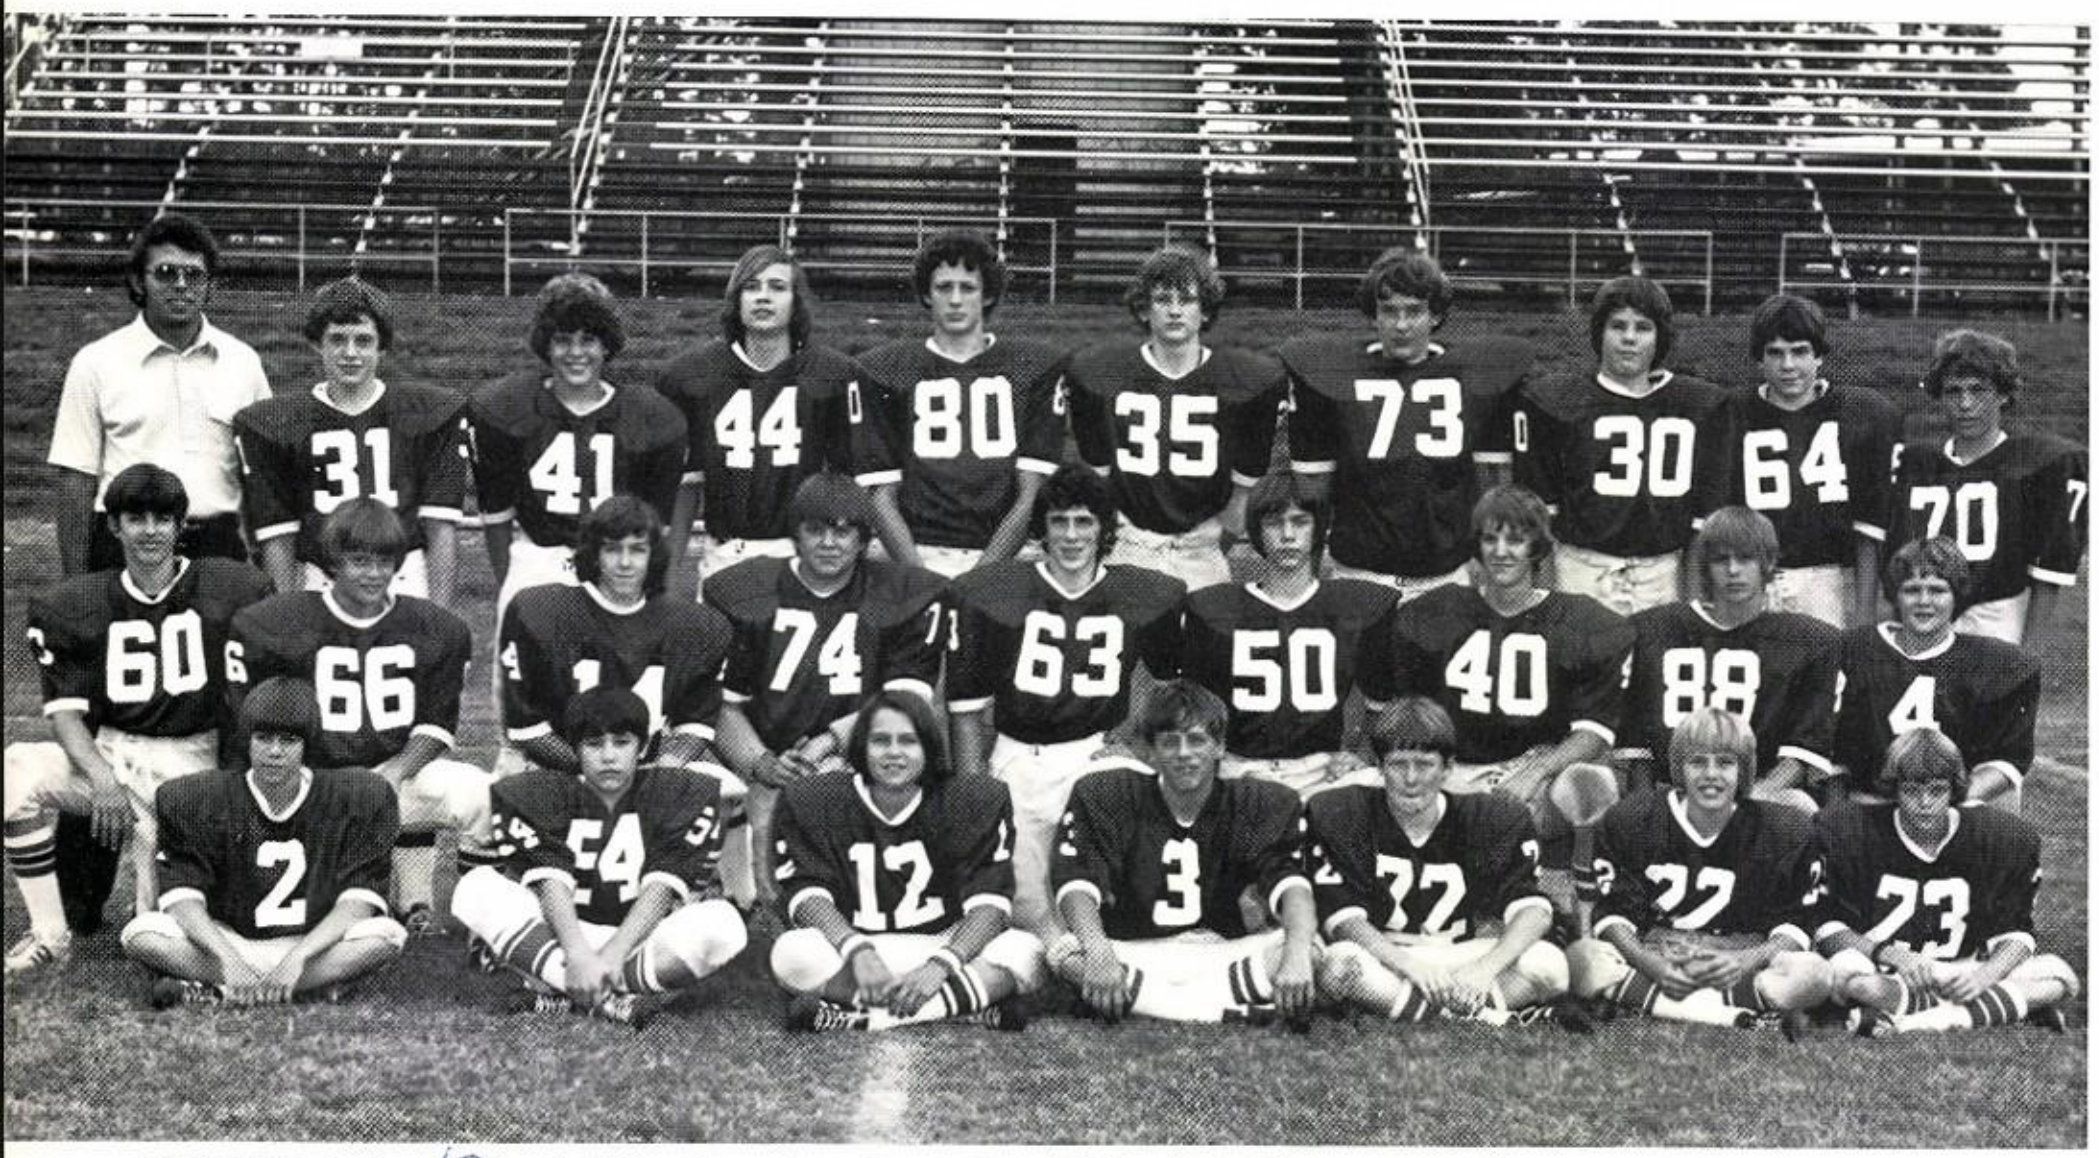
BOTTOM: Debbie Lane. MIDDLE, Left to Right: Lynn Taylor, Elizabeth McKinnon, Robin Perry, Mary Eubanks, Diana Carman. TOP: Lib Wight, Nelray Rice.

This year was the first time that Brookwood had tried the two squad system. It seemed to work quite well and will be continued. Both squads won Superior Awards at camp. Mrs. Bowers was a fine sponsor this year and was always behind the cheerleaders. The J.V. left a lasting impression on the varsity squad when they presented them with 2 megaphones.





J.V. Shows Promise



BOTTOM, Left to Right: Jeff Bernier, Greg Overmier, Richard Middleton, Tim Sherrod, Tim Cook, Ron Salter, Bill Arwood. MIDDLE: Robert Braswell, Rusty Miller, Mark King, Gerald Shackelford, Mark Parker, Blake Bernier, Al Lanier, Keith Marshall, Gene Strickland. TOP: Coach Bill Boyd, Bill Hodges, Glenn Barrett, John Malone, David Dunnam, Herbert Butler, Jerry Hancock, Greg Russell, Ron Dixon, Robert Paine.

Robert, J-U-N-I-O-R-S Juniors, Juniors are the best! I wish you loads of luck in the future I hope y'all as seniors are as good as we are as seniors I love you Love ya Merritt

The J.V. Cheerleaders sometimes receive less recognition than the J.V. players but these girls work just as hard and with just as much spirit as the varsity squad. The past summer the J.V. squad attended camp with the Varsity and were awarded three Excellent Awards for their work.

J.V. football squads sometime receive little recognition. But this does not mean that they are not important. Most good varsity players start as J.V.'s, and each year it is important to have rising J.V.'s to move up to Varsity when Seniors dwindle the ranks.

Even though the squads were divided, there existed such a closeness between the two that everyone was involved with everything. A breakfast was given during football season with basketball cheerleaders helping; football cheerleaders assisted with Basketball Pep Rallies.

The Warriors went further this year than any year before. Their record of 23 wins and 4 losses was the best yet. And the Warriors made it all the way to state only to be stopped in the first game by Bartow.

Even though the Warriors had a different starting five for nearly every game, they managed to play well. The Warriors never faced any real competition all season except against rival Georgia Christian, whom they met in the Region Playoffs and defeated to gain the Championship.

The football team wasn't the only team to lose half its players. Nine seniors graduate from the varsity basketball team. Keith Hershey was named to the Seais All Star team and played in the All Star game. Rand Malone received honorable mention. Rand and Keith also made all region. In Brookwoods tournament, Charles Allen, Robert Horne and Scott Lyle made the All Tournament and at GCS, Keith, Rand and Scott made their team.

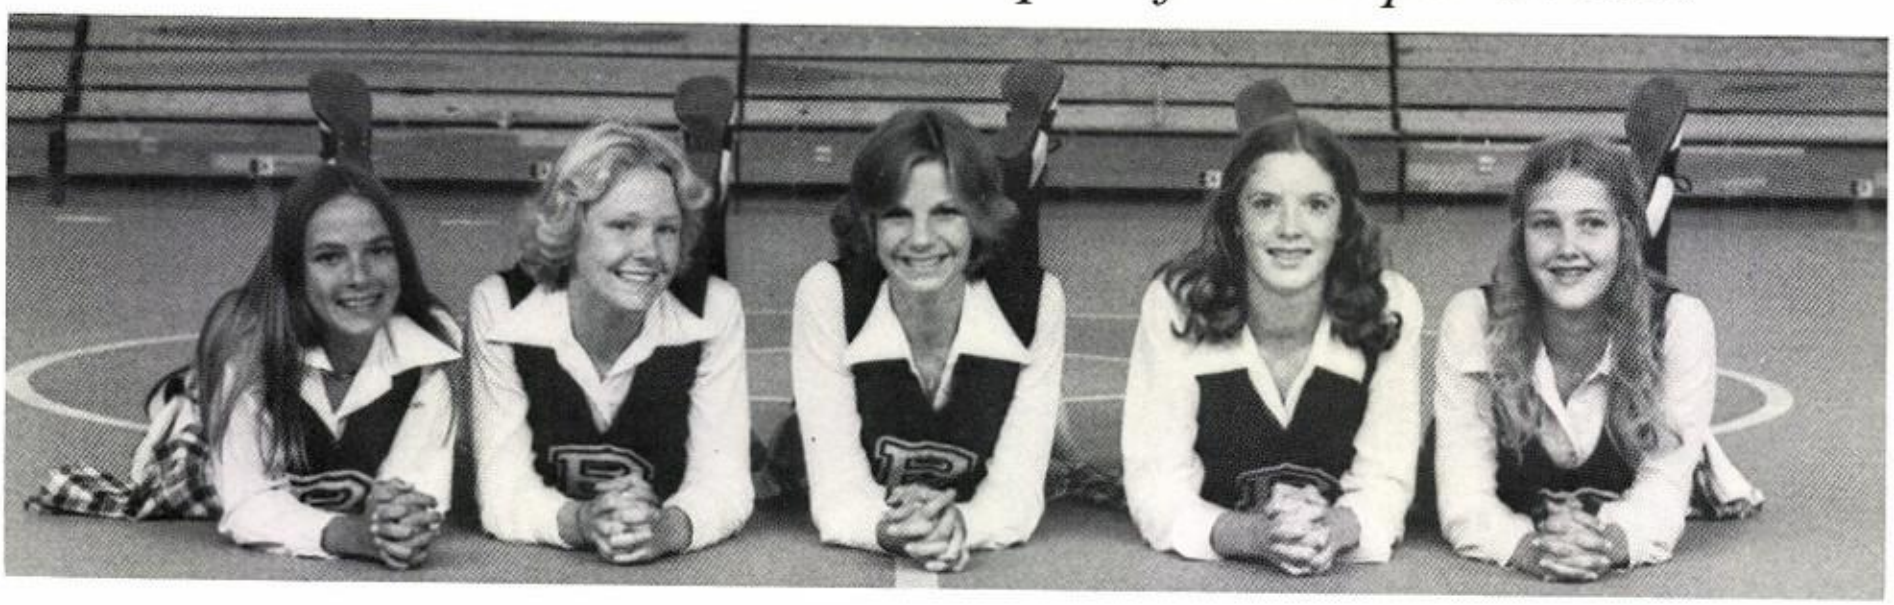
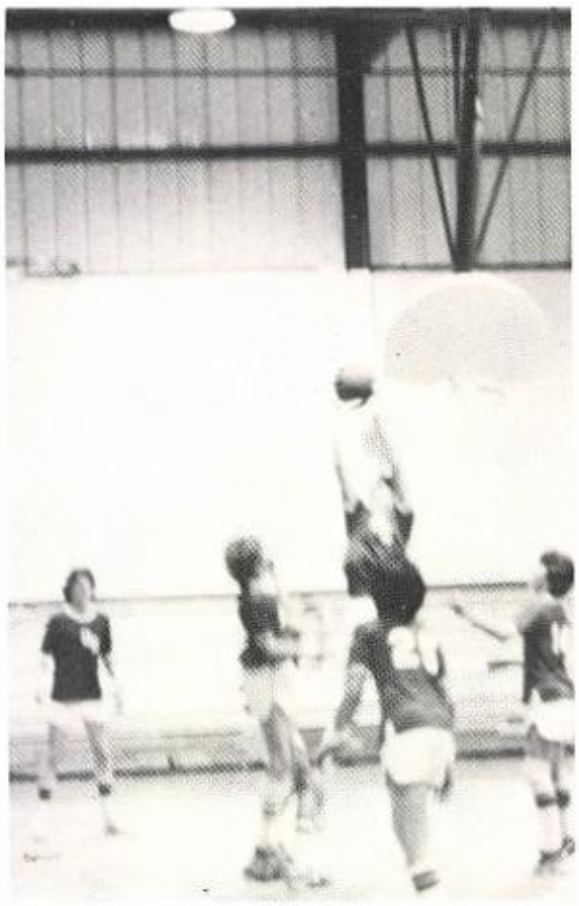
Cheerleaders Lend Needed Spirit for a Super Season



Sometimes it seemed like the only people in the stands were the cheerleaders. But these girls were always there, and their spirit helped lead the boys to 13 straight victories.

LEFT TO RIGHT: Chris Taylor, Jeanne Singletary, Jackie Varnedoe, Laurie Willis. NOT PICTURED: Lori Chapman.



The J.V. boys could not be beaten! Under a new coach, Steve Riley, the boys were never on the losing end. The score was sometimes close, too close against Ravenwood, but the team always pulled it out. The seventh and eighth graders saw extra action in a post season tournament and led Brookwood to a tourney championship. Kevin Herbert and David made the all-tournament team with praise from Coach Riley. If these seventh, eighth, and ninth graders remain true to form, Brookwood can look forward to some good years ahead in basketball.

Warriorettes Plagued by Injuries

BOTTOM: Manager Ellen Andrews, Elizabeth McKinnon, Lynn Taylor, Claudia Mason, Martha Scott, Mary Lynn Hartsfield, Lib Wight. TOP: Beth Hodges, Beth Chambers, Laurie Fenlon, Robin Perry, Lois Manny, Janet Sellers, Manager Julie Arwood, Coach Bill Boyd.

The Warriorettes never had a game where the entire team dressed out. Injuries ranged from broken hands and sprained ankles to frequent bouts with the flu. Before the injuries though, the girls started out with a bang. They finished second in the tip off tourney and trounced Frederica 51-14.

Diligent Work Is Rewarded

Four varsity girls basketball players were awarded trophies at the annual banquet. Winners were: Laurie Fenlon - best defensive, Claudia Mason - senior award, Lib Wight - offense, MVP. Not pictured is Beth Hodges who received the most improved award.

J.V. Girls Make Progress

SEATED, Left to Right: Elise Smith, Ginny Davis, Peggy McAuley, Bonnie Sue Jones, Laura Thomas. STANDING: Manager Naomi Kennelty, Sherry Park, Kim Lyle, Amy Stone, Vicki Shackleford, Karen Bush. NOT PICTURED: Coach Debbie Lanier, Julie Bryan, Ginny Grover, numerous others.

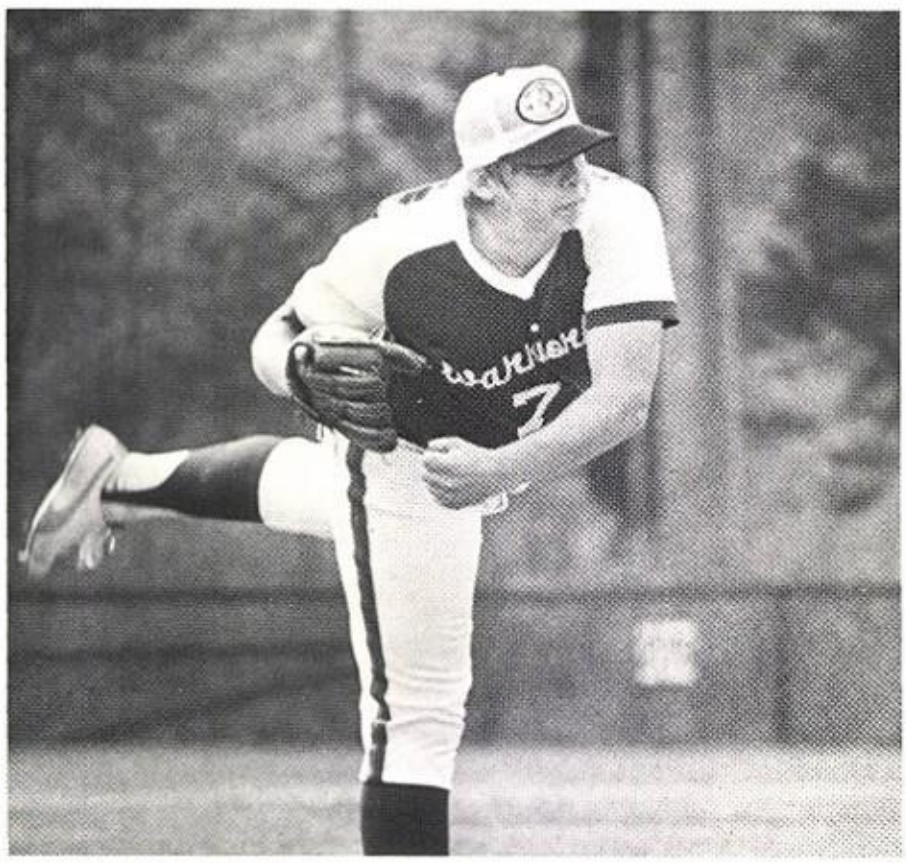
The J.V. girls made considerable progress this year winning more games than any previous j.v. girls team. They defeated much larger teams and should be good material for the varsity squad.

Baseball Team Has Best Year Yet

BOTTOM ROW, Left to Right: Mike Bernier, Steve Miller, Robert Benton, Bruce Kipling, Glynn Willis, Robert Horne, Luke Bryant, Joe Turner. TOP, Left to Right: Brian Quirk, Scott Fenlon, Brad Alexander, Bubba Allen, Bill King, Mike Taylor, Harris Strickland, Coach Tom Johnson.

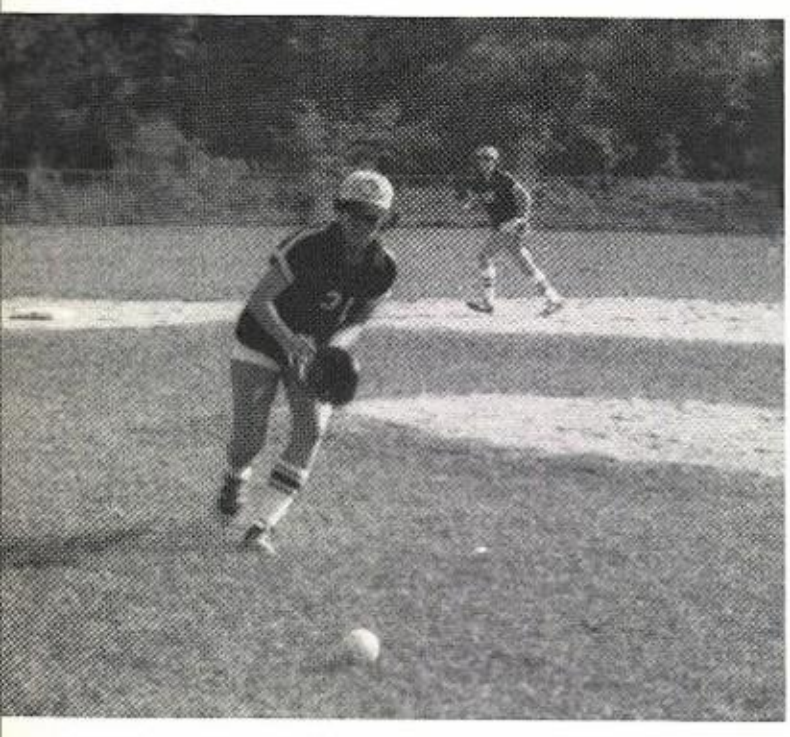
Steve Miller won the MVP award and the best offensive player award.

This year was the year for all sports at Brookwood. Baseball was no exception. This year's record was 10-2 - the best yet. The Warriors also beat arch rival Pineland twice. Unfortunately, the Warriors were stopped in the region finals by Randolph Southern at 2 games to 1.



Softball Team Improves!

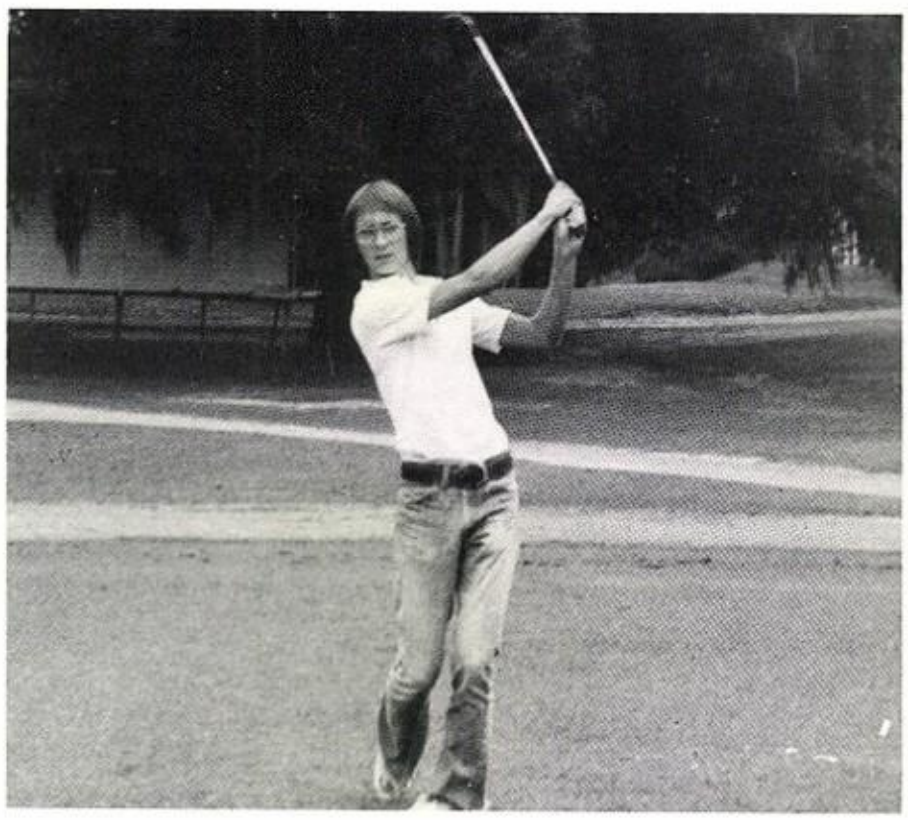
KNEELING, Left to Right: Alice Hershey, Karen Bush, Sherry McMillian, Vicki Shackleford, Ashley Russell. STANDING: Beth Shiver, Diana Carman, Laura Courson, Ann Shackleford, Beth Chambers, Kim Lyle, Coach Steve Riley.

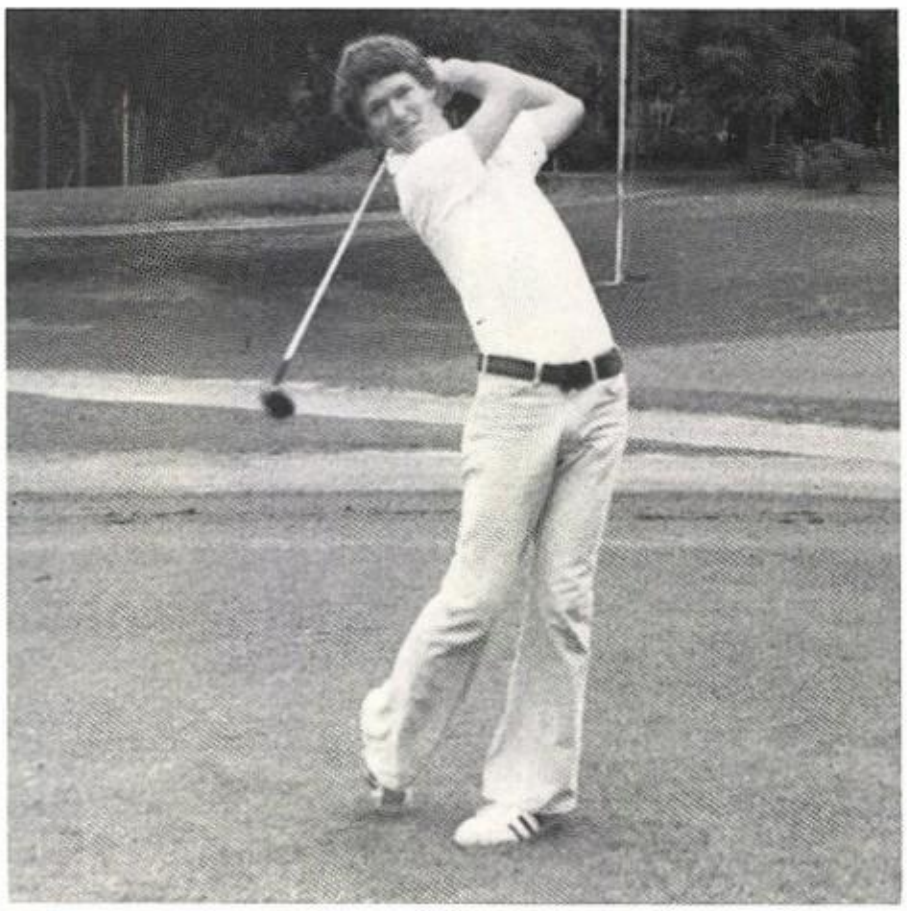


The girls' softball team sure had bad luck, but they stuck it out and had a lot of fun, too. In a game that seemed like it lasted for hours, Brookwood defeated Bainbridge Christian - their first win in 2 years. It was a happy occasion. Beth Chambers was awarded the MVP trophy at the spring banquet.

Golf Team Wins State Title Again!

STATE CHAMPIONS: Luke Bryant, Steve Cheney, Scott Fenlon, Coach Bill Boyd, Kenny Langley, Mark Parker, Rick Singletary.





For the second straight year, the golf team won the state championship with little competition from area schools. The superior scores of the team could be linked to their often practice rounds, most of which Coach Boyd also participated in. Four seniors, Cheney, Bryant, Fenlon, and Langley will be succeeded by 2 younger but fine golfers. Luke Bryant won the trophy for lowest average for the year.

LEFT TO RIGHT: Brian Chason, Rhett Butler, Rand Malone, Jay Flowers, Brad Alexander, Ian Quinton.

GIRLS TENNIS TEAM: (Right) SITTING, Left to Right: Julie Cheney, Julia Arwood, Beth Hodges, Lib Wight. STANDING: Claudia Mason, Julie Bryan, Ginny Davis, Laurie Fenlon.

The tennis teams made dramatic progress this year. Three of the boys, Brad, Rand and Ian made it to the state playoffs. That was a "first," and pretty good for a two-year-old team. Both teams are young, so there will be a promising team for several years. At the spring banquet, Laurie Fenlon and Brad Alexander were awarded MVP trophies.

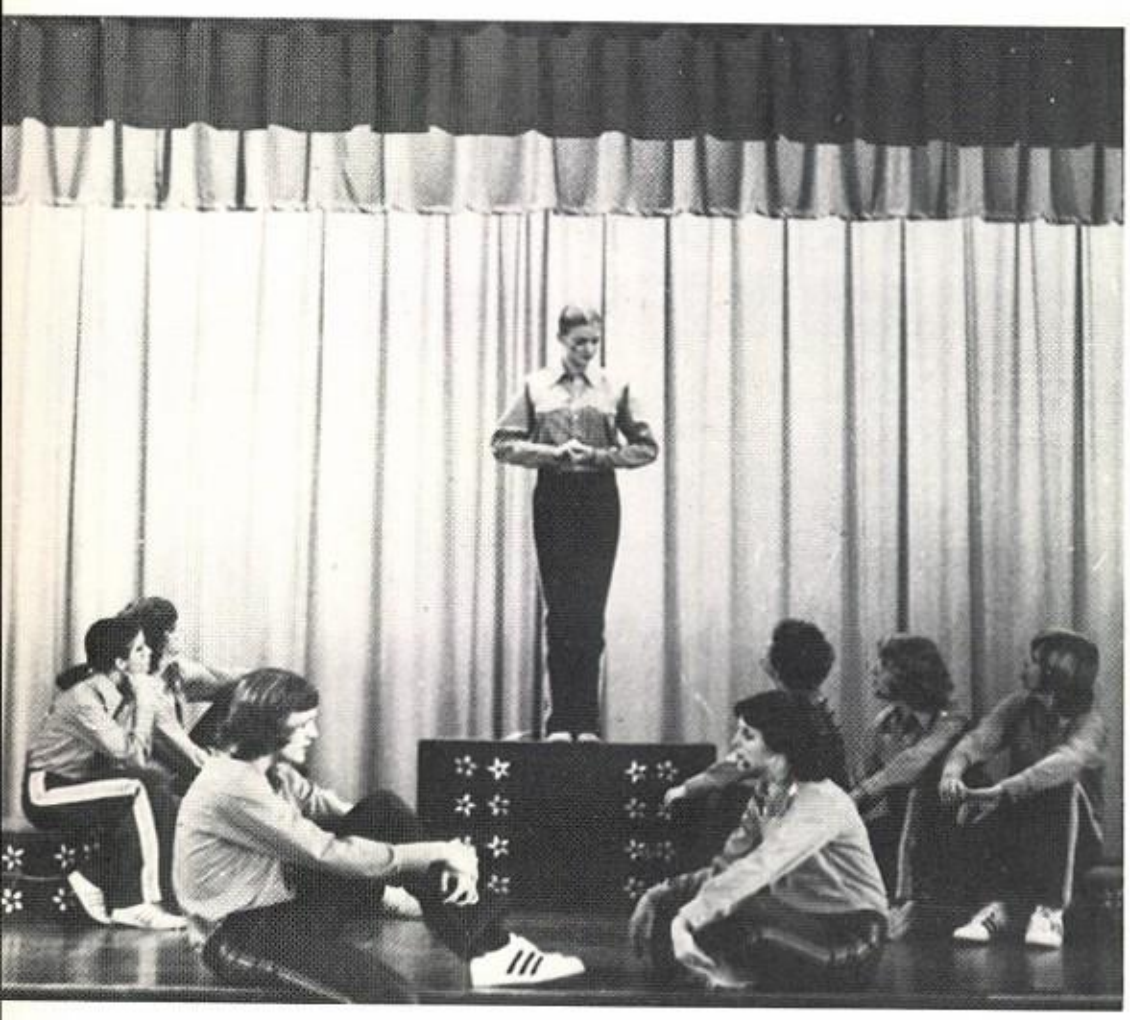
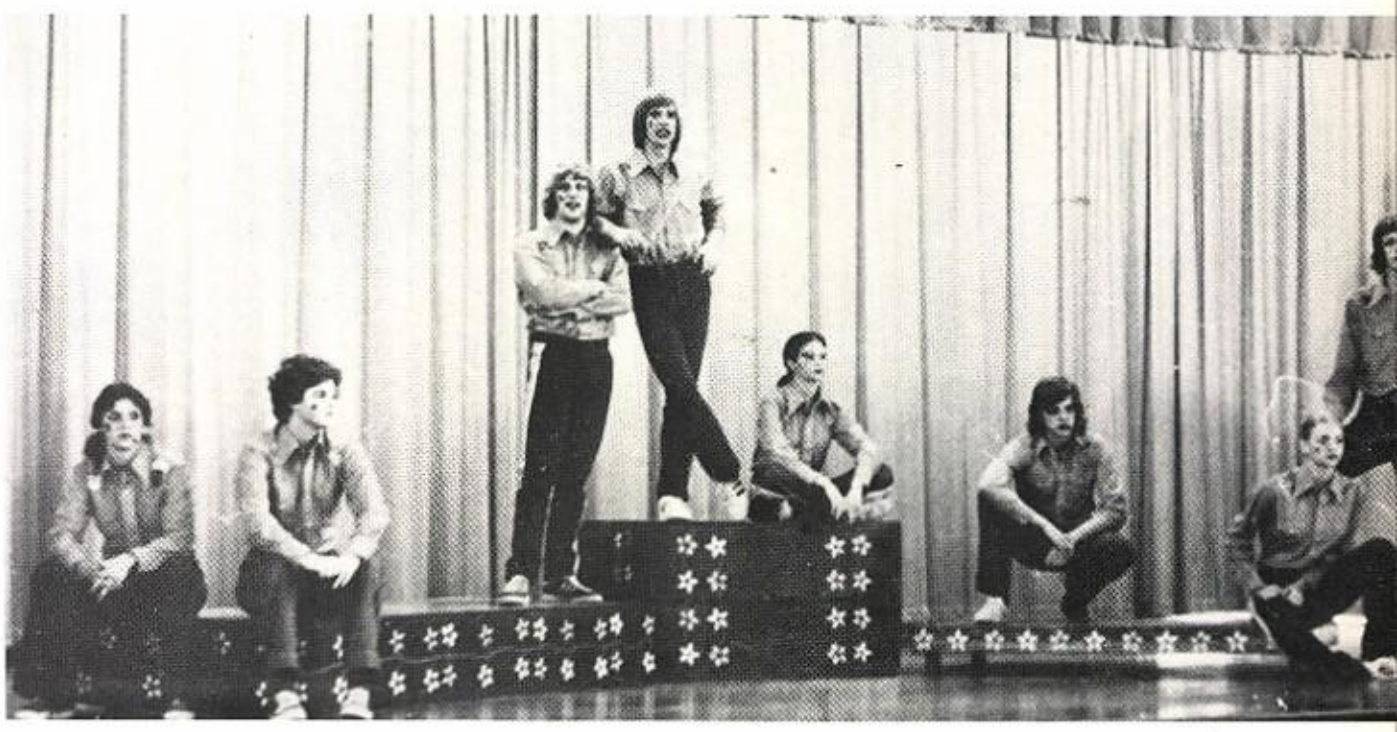
SPECIAL ACTIVITIES

A school is composed of such major elements as academics, athletics, and clubs. But the excitement of Brookwood is revealed in a myriad of special activities. Students this past Fall began their extracurricular events by welcoming the Foreign Exchange student to the U.S.A. The mystery surrounding the dedication of the annual was solved; an imaginative one-act play thrilled its audience; 17 anxious contestants awaited a crowning; and the seniors of '76 embarked on their long-awaited commencement. These special activities added an extra dimension to the student life already found at Brookwood School.

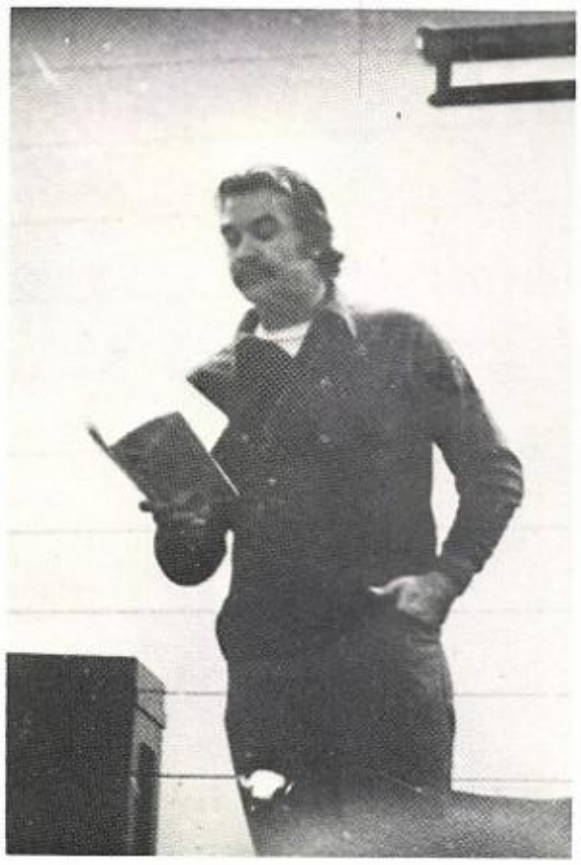
"Toy Dog" Wins 2nd in Region While "Nobody" and Elementary Plays Also Provide Entertainment

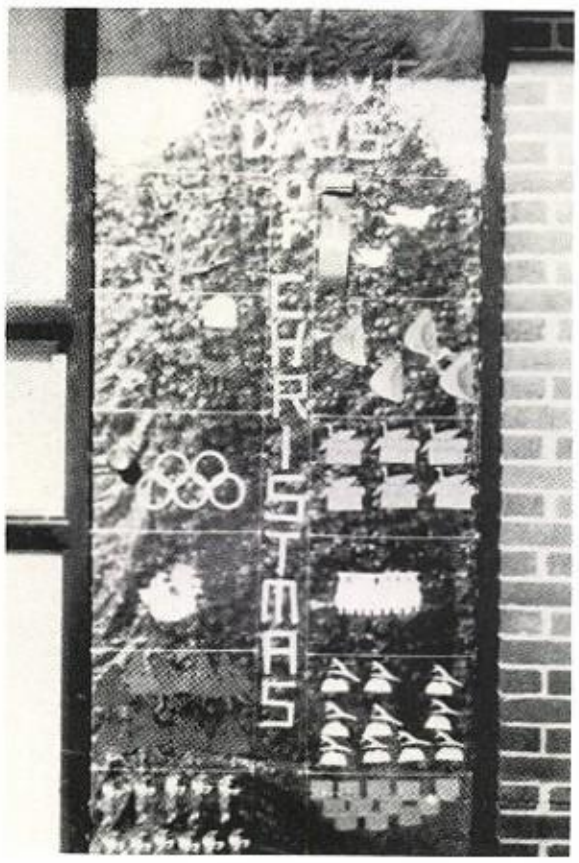




The creative drama class of Brookwood put on two plays this year. From puckering up, to very solemn moments, the upper school students produced the play, "The Little Toy Dog," which took second place in region 1A competition. The class also performed in Pelham, another 1-act play on cynicism entitled "Nobody Wants to Know."

The elementary students worked hard producing a variety of plays ranging from Bicentennial to Old South themes. Brookwood is always alive with some form of entertainment.





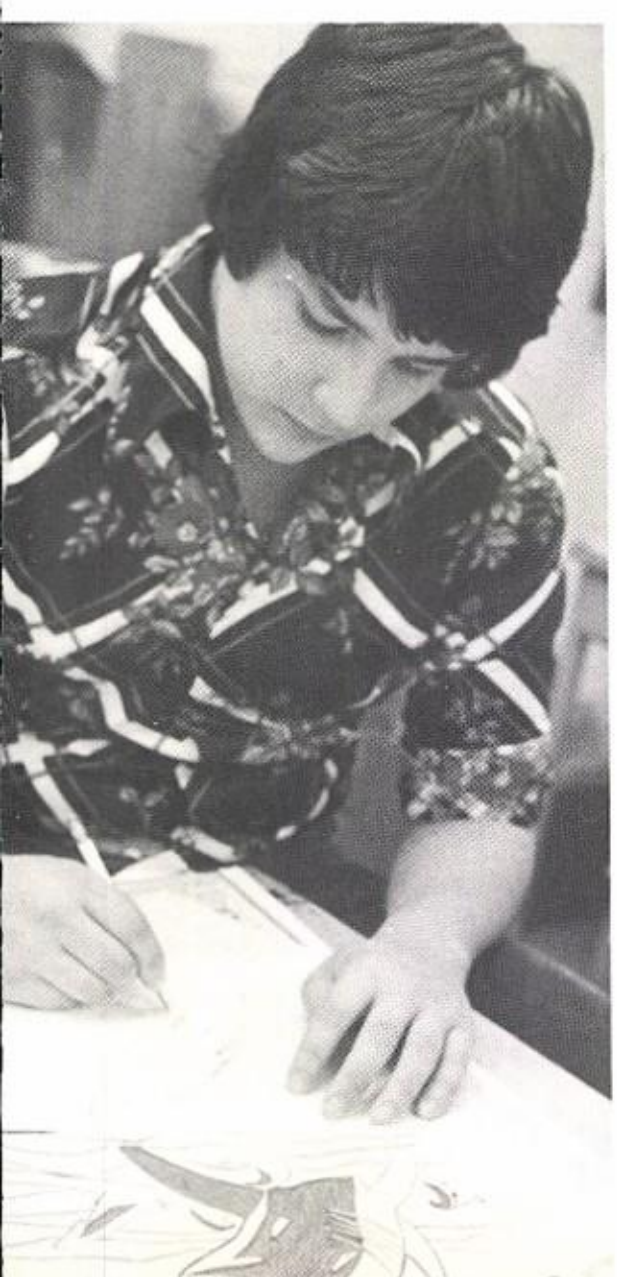
Christmas Activities Multiply

Christmas activities at Brookwood were expanded this year to include a week of poetry, its study and writing. Sponsored by the English department, the week featured Dr. Van Brock, who lectured to students on the beauty and art of poetry. Winning door and diorama projects were judged on their creativity and coordination with the poetry and Christmas theme.

As in earlier years, Ms. Britton's Spanish classes held their own special Christmas by breaking a piñata and caroling as they wished everyone, Felice Navidad!

Variety of Events Provide Learning Experiences for Students.

Brookwood was honored by many visitors who provided new learning experiences for students. Sullins College held a demonstration of modern ballet and tap dancing to promote interest in this art and to encourage prospective students. The Albany Drum and Bugle Corps offered a rendition of the history of the United States through the eyes of the military and music. The Georgia Art Bus set up a stunning display of modern paintings while providing a special teacher to instruct Brookwood students in the art of silk screening. Former AFS students created a commotion as they arrived in a WWI ambulance to bring Brookwooders a special verbal and musical insight into the exciting foreign exchange program.



Money-Making Projects Are Help to School Organizations

"Kick-Off Party," "Slave Day," Spring Fashion Show

The 1976 year was highlighted with events that provided fun and enjoyment while making money for various school organizations. A "kick-off party" was sponsored by The Boosters Club at the beginning of the year. All who joined in the fun went away smiling after a Bar-B-Q meal. The senior class held a "slave day" when they "rented" themselves to needy parties at school. The proceeds went to the fund for the prom. In the Spring the Warrior staff sponsored their 3rd annual fashion show, and all those present agreed that it was one of the most successful and beautiful events of the year.

As Students We Learn About Life, Others, and Ourselves

As students at Brookwood, we learn by experience as well as by books. Many classes participated in presenting projects and making trips. This year, the 7th grade journeyed all the way to Charleston, S.C., and learned about many things in our historical south while other classes produced projects at school. Ms. Britton's drama class tried their hands at making cartoon films, whereas Mrs. Atwell's ninth grade English class went so far as to make their own marionettes and to give a show. While a variety of projects were done in commemoration of our National Bicentennial, another of the English classes made posters representing the Bill of Rights.

Miss Sweetheart

Nelray Rice Selected

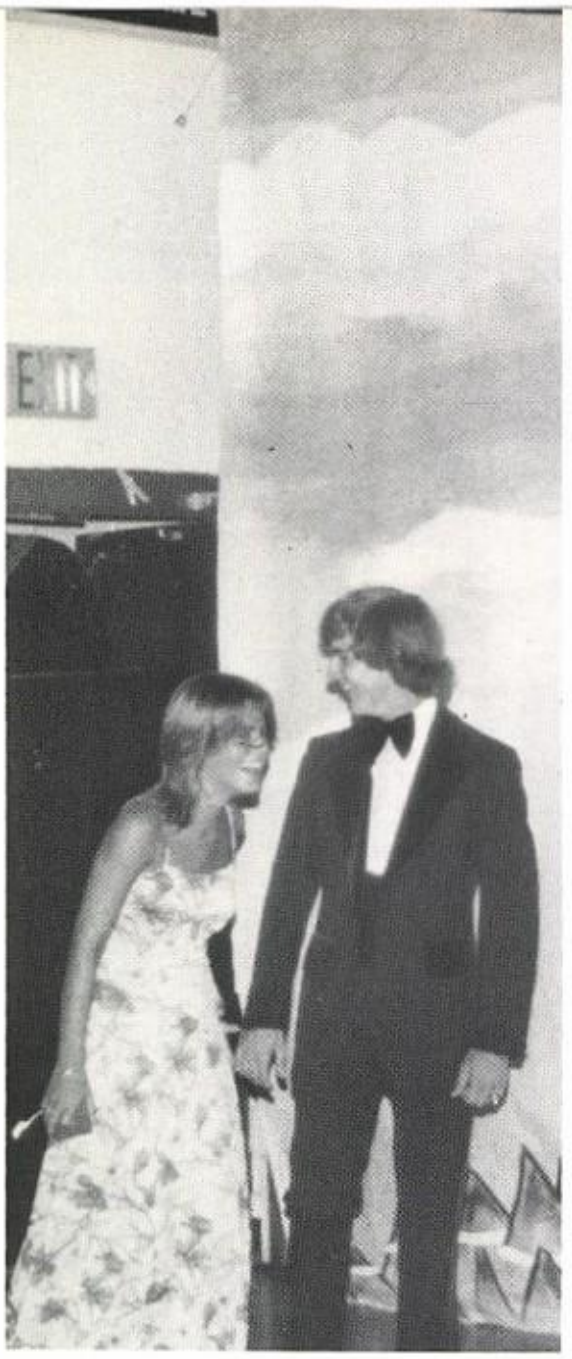
With February came Valentine's Day, and with Valentine's Day came thoughts of love and beauty. The love was enthusiastically expressed in the applause for the beauty which abounded in the lovely sweetheart contestants. The audience and judges stared in awe at the stage, and only after much pondering did they cast their ballots. The ballots were quickly counted and the results were announced . . . 3rd runner-up - Lisa Adkins; 2nd runner-up - Julie Cheney; 1st runner-up - Mary Eubanks, and Miss Sweetheart of 1976 - Miss Nelray Rice.

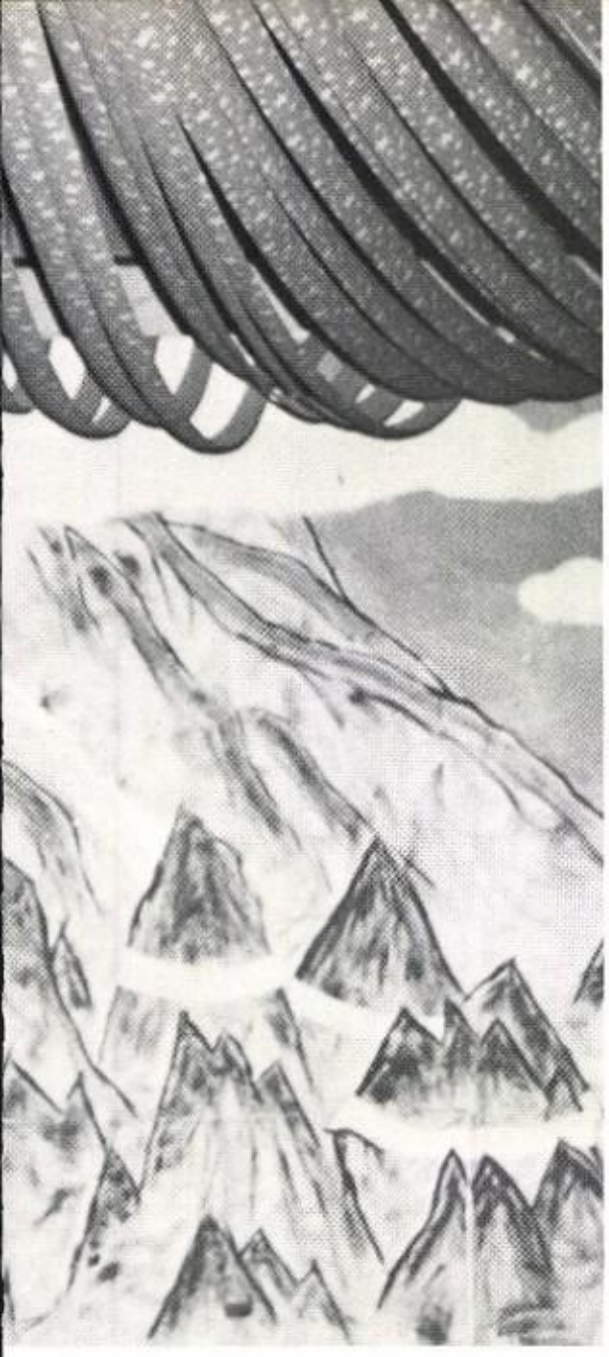
End-of-the-Year Fun Is

Enjoyed by Kids of All Ages

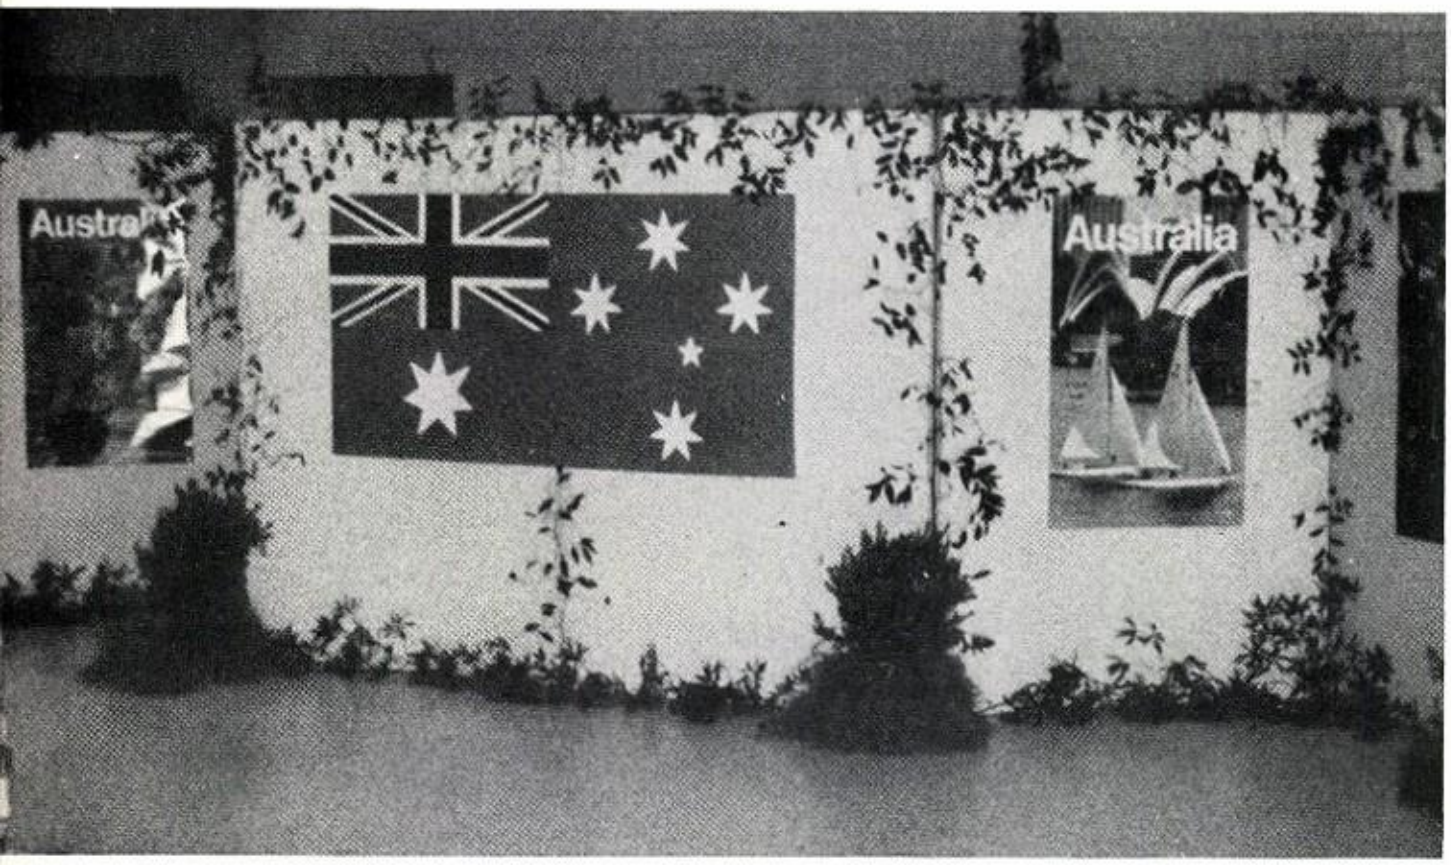
From Pre-School and Pre-First end-of-the-year parties to Sixth Grade plays and graduation, school days are completed at Brookwood with lots of fun and excitement. Parents attended all of the ceremonies and seemed to enjoy them as much as their children. Louise Wight was honored at the Sixth Grade graduation as the "1976 Sixth Grade Good Citizen." As the expectations of summer blend with the anticipation of the last day of school, Brookwood's grounds tremble with the thrill of everyone's enthusiasm.

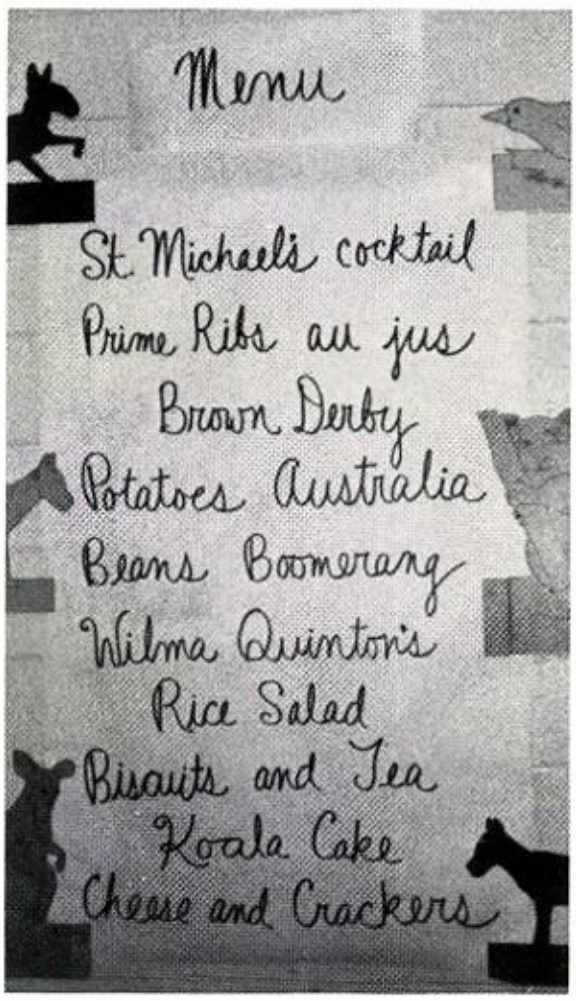
Juniors Honor the Class of '76 With Successful Prom.





The class of '77 was more than honored at the thought of being able to spotlight the Seniors of '76 with a junior-senior prom on May 15. The juniors picked a popular song, "Stairway to Heaven," as their theme. After entering through a darkened tunnel, guests were stunned to see gorgeous murals running the length of the gymnasium, an authentic set of gilded stairs, and a star-lit ceiling complete with mirror ball greeting them. As everyone bumped and boogied to the fantastic music of Koko, a rock band from Texas, and enjoyed the delicious breakfast prepared by the seniors' mothers, they agreed that the dance would certainly go down in Brookwood's history books as one of the most spectacular!





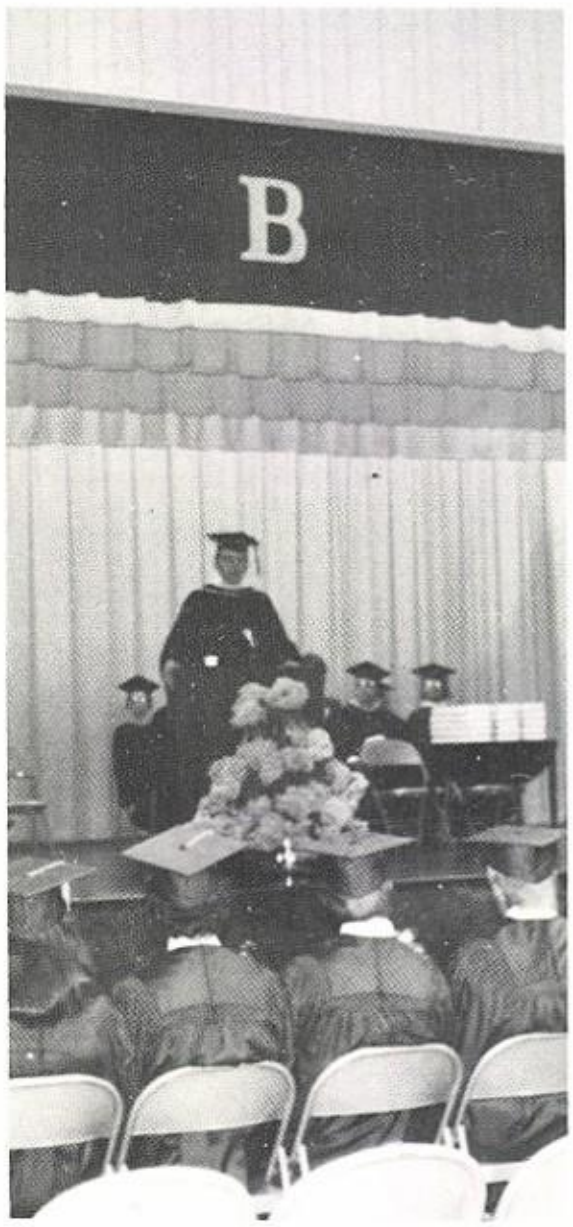
Australian Dinner and Hawaiian Luau Make Hits as Great New Fund-Raising Events

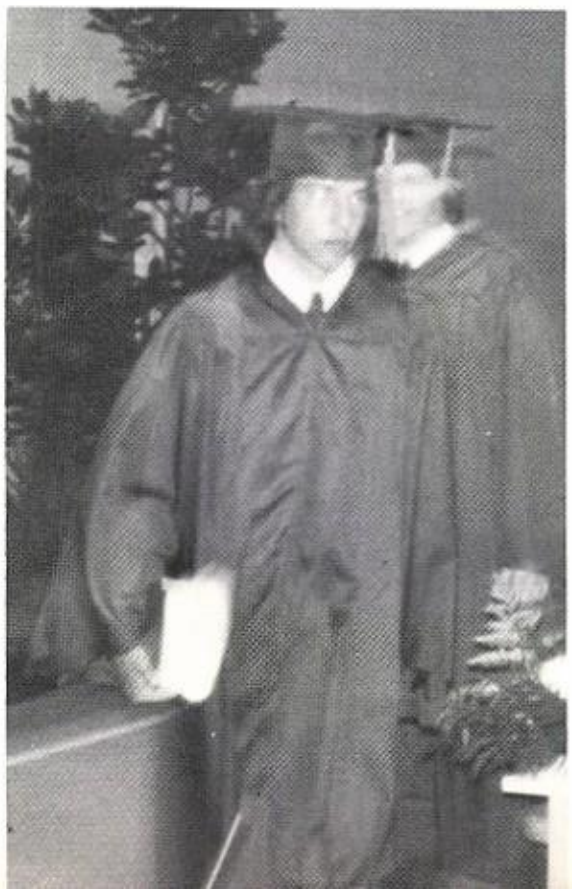
The Brookwood American Field Service Chapter has an annual dinner to raise money to sponsor the AFS students coming to Brookwood and Brookwood students taking part in the program. This year the dinner was based on an Australian theme, because of our AFS student, Ian Quinton. Due to much planning and many hours of hard work, our short visit to Australia was a big success.

The Brookwood family journeyed further with an evening to Hawaiian simulated surroundings. The dinner and activities took place at the beautifully decorated Chinquapin Plantation. The proceeds are to go to building tennis courts on the Brookwood campus! Again, the unselfish and unending hard work of many friends and supporters resulted in an outstanding financial gain.

"Q" "Waltzes" in and Captures Hearts of the Brookwood "Family"

The hearts of anyone who came in contact with Ian Bruce Quinton, our Australian exchange student, could not help but be touched! Ian provided the school and community with laughter and love. This bright young man kicked our 1975 football on to win a state championship, managed our basketball team to a region championship and state bid, and stroked his way into the state finals in tennis with his combination doubles partner and American brother, Rand Malone. The Randolph Malones were exceptionally proud of their temporary son, as was everyone else, when Ian took many academic awards at Awards Night. There are not enough words to praise Ian; everyone who was ever near him must join the 1976 Warrior Staff in their thanks to him for bringing Brookwood so much joy!





We'll Miss the REAL "Spirits of 76"

The Class of 1976 will always be remembered as one of the most fun loving, lively, and active groups to ever tromp the Brookwood campus. They added to all areas of school activities and made each day a real experience for their teachers, themselves and nearly every underclassman. After a trip to the Bahamas, the seniors never really got back in the routine of being students. All of the excitement of parties, cookouts, senior banquet and jr.-sr. were finalized very formally and appropriately with a very meaningful baccalaureate sermon and an unforgettable graduation.

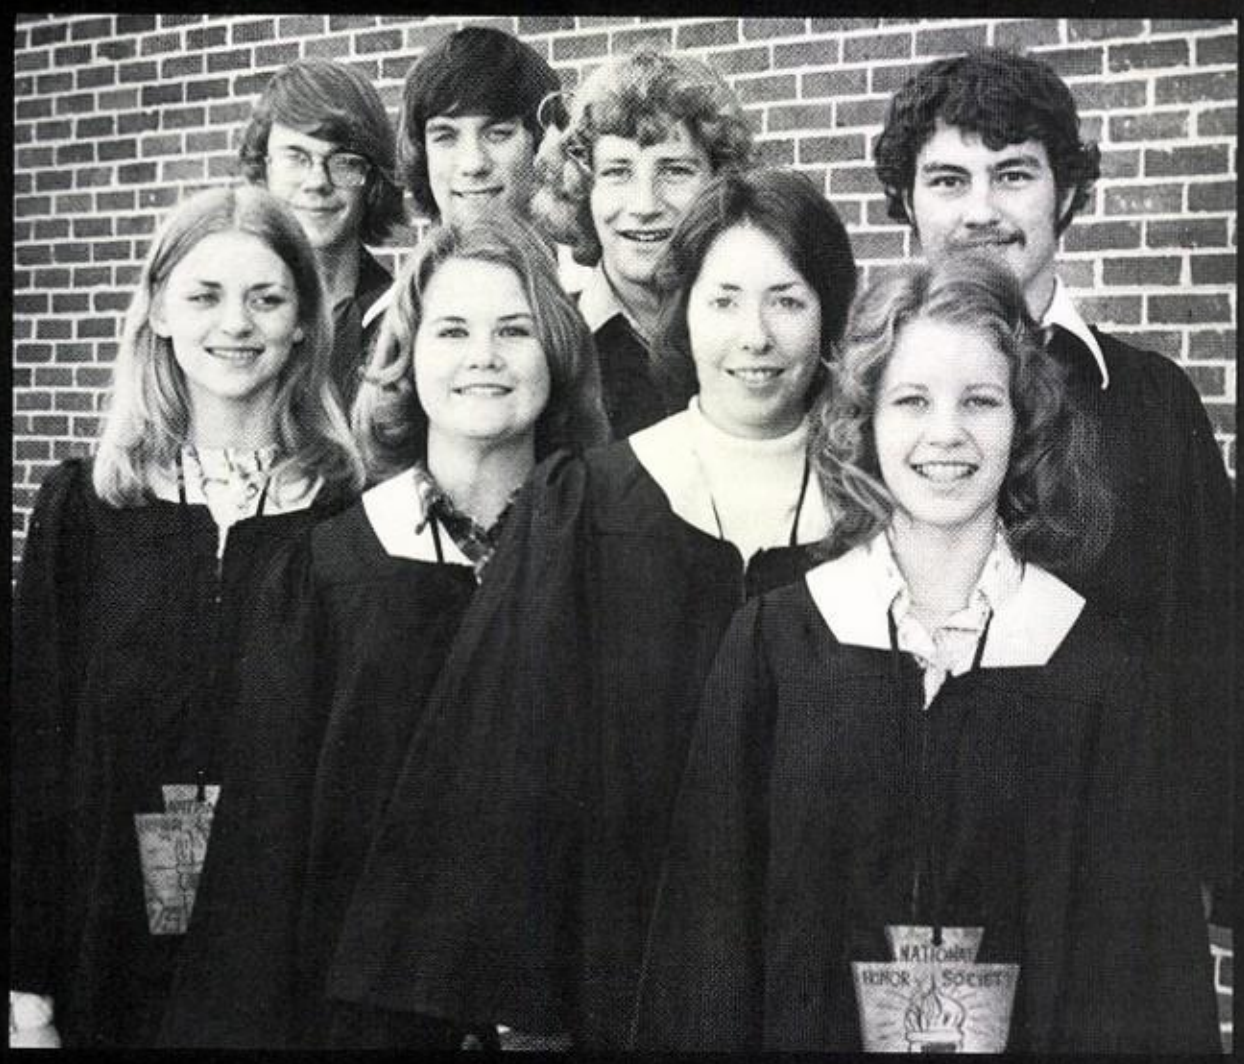
HONORS

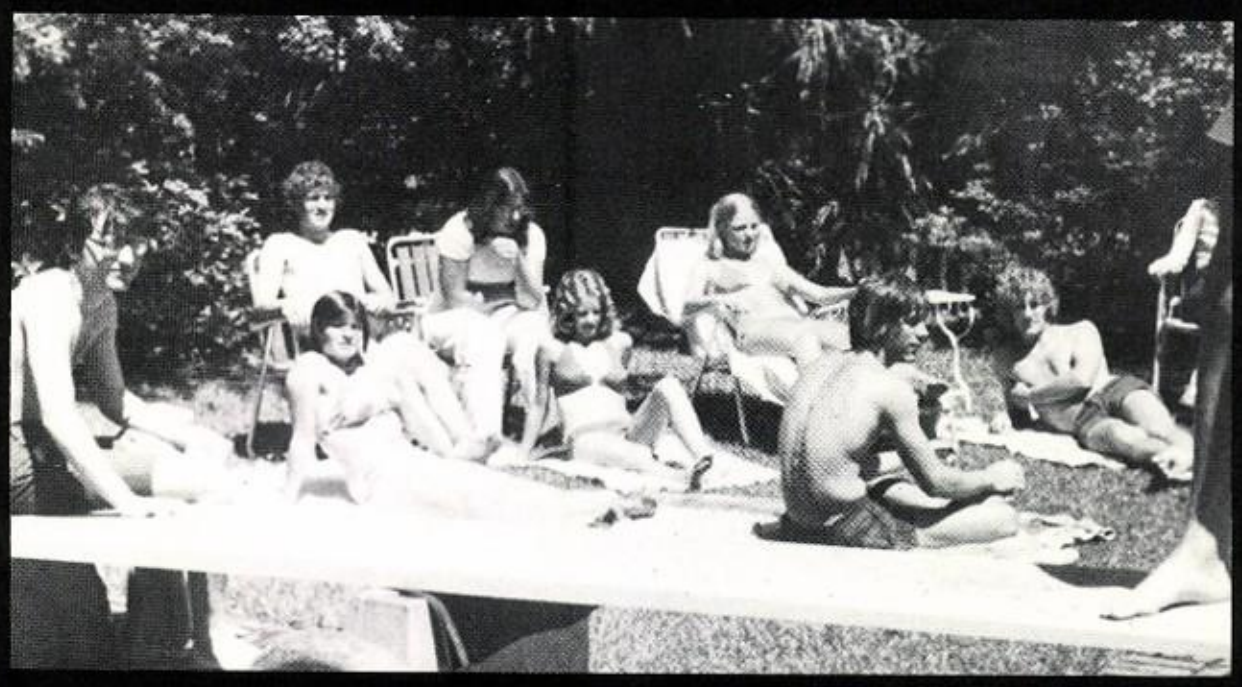
Achievement is a tradition for Brookwood students. Each year outstanding juniors and seniors are inducted into the National Honor Society, and numerous students in grades 7-12 are honored for their academic and individual achievement on Awards Night in May. Members selected for the Honor Council function as a judiciary body to investigate violations of the Honor Code. Brookwood School stands for excellence in a variety of ways, exemplified by the honors that are presented to our students.

Honor Organizations

NHS Receives Eight New Members

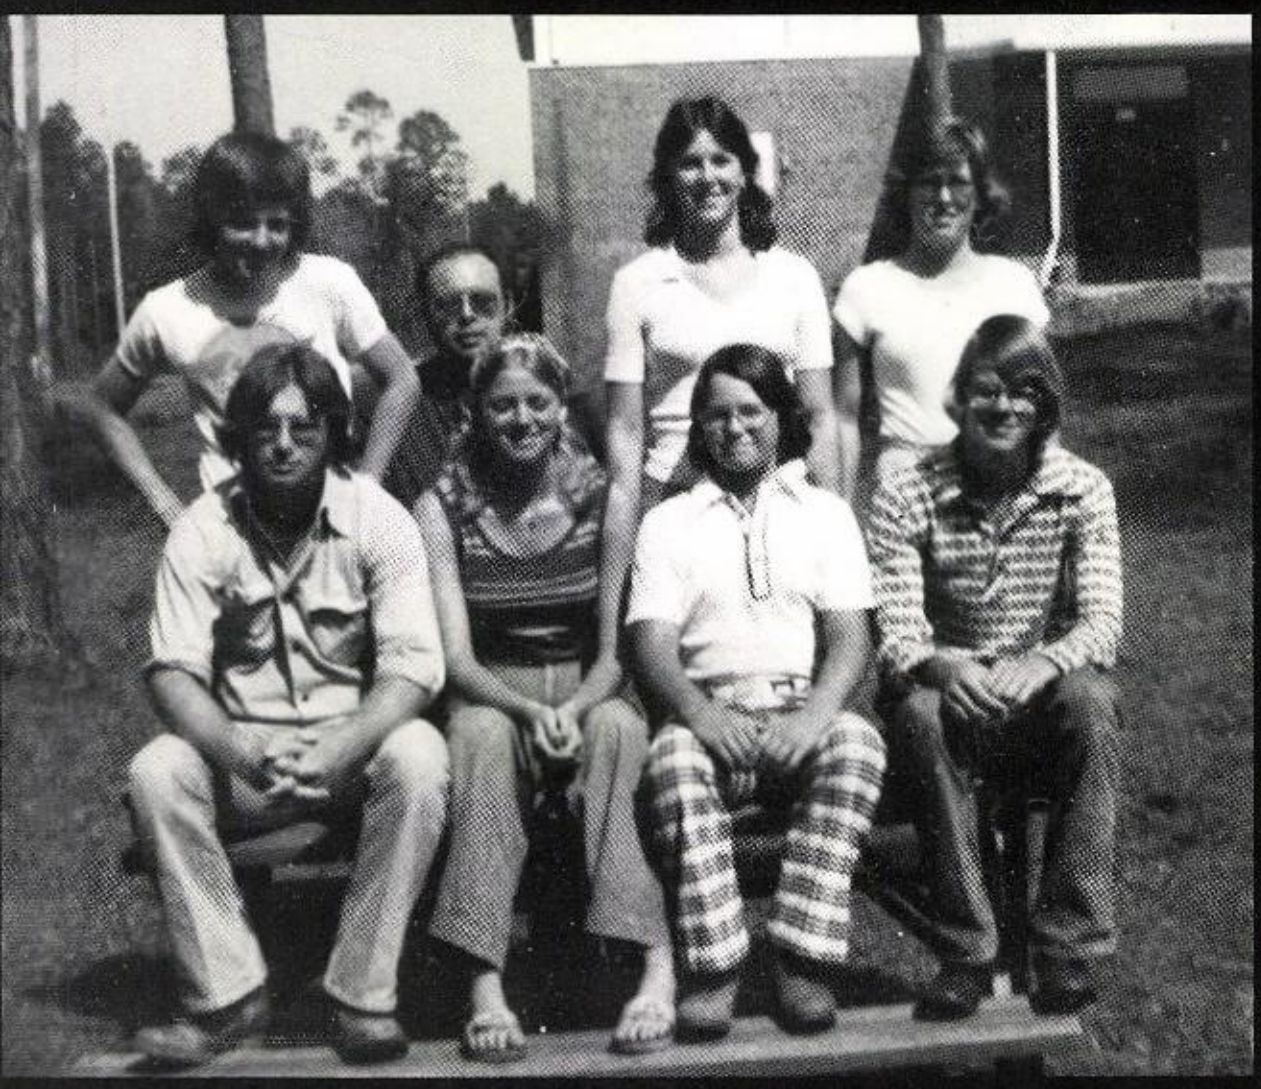
The Louise Jeanes Hines Chapter of the National Honor Society functions as an honorary club. Juniors and seniors with an accumulative average of 88 are chosen for membership on the basis of their qualities of scholarship, character, leadership, and service. These members wear gold tassels at graduation, and their diplomas are stamped with the N.H.S. seal. Ian Quinton and Mrs. Louis Hines were inducted as honorary members. Members include Robin Perry, Debbie Lane, Jane Taylor, Mary Eubanks, Jeff Jarrett, Brad Alexander, Steve Miller, Diana Carman, Cheri Harper, Keith Hershey, and Kip Kipling. Sponsor - Mrs. Ann Larson.



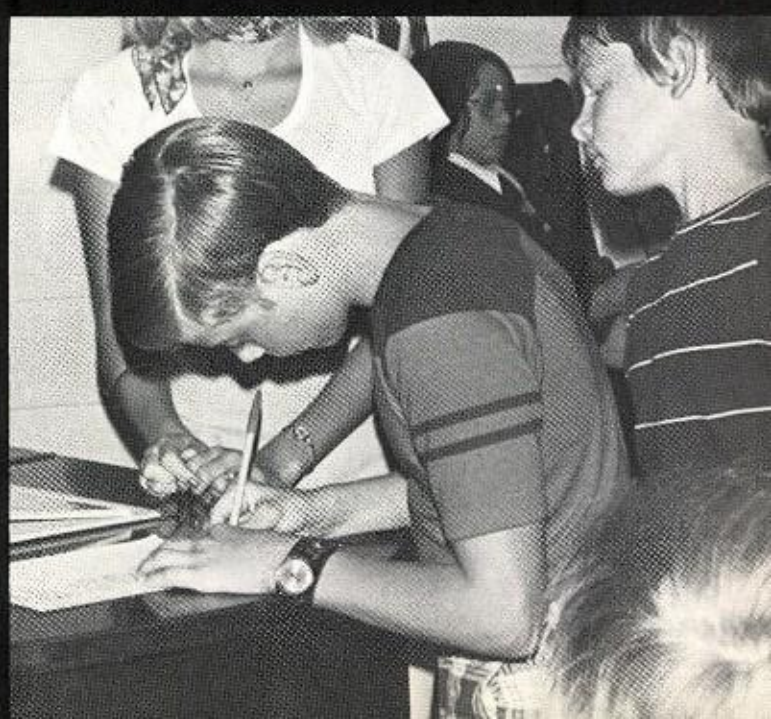


Reflect High Standards

Honor Council Encourages Superior Ethics



The Honor Council, the student judiciary organization, upholds the rules of the Honor Code. This group of seven elected students administers the by-laws of the code which make lying, stealing and cheating violations of student honor. All students pledge themselves to this code when they sign the pledge book in the beginning of each year. Members include Sheri Burton, Ken LeGette, Robin Perry, Jeff Jarrett, Jay Smith, Richard Middleton, and Karen Bush. Sponsor - Mr. Harry Guckert.



Superlatives, Honor Graduates Lead Class

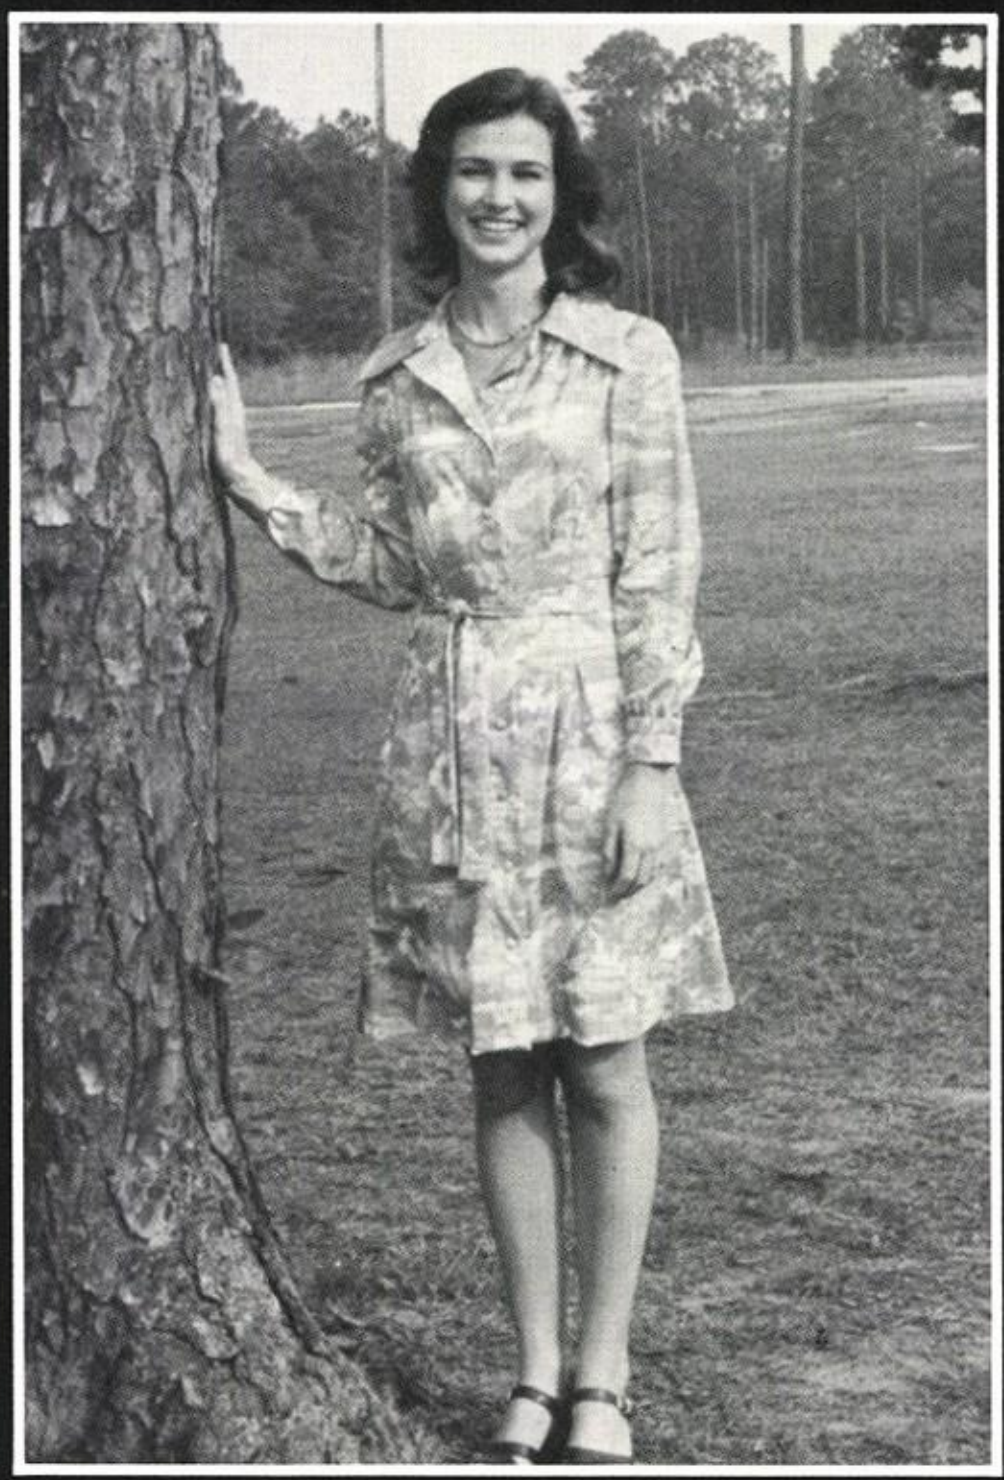
(Top, Left and Right)

Senior Superlatives, selected by the faculty, represent the outstanding leaders of the graduating class. 25% of the class are chosen each year. The Superlatives include Kip Kipling, Scott Lyle, Robert Horne, Cheri Harper, Diana Carman, Ian Quinton, Nelray Rice, Steve Miller.

(Bottom, Right)

Diane Carman, Valedictorian, had the highest academic average of the Senior Class. The valedictorian delivered the graduation address at the annual ceremony. Kip Kipling, salutatorian, received this honor for having the second highest academic average. Carman and Kipling led the class of 1976 as its two top honor graduates.

Rice and Lyle Take Top Awards



The highest award presented to the graduating senior is the Headmaster's Award. This coveted award, given to the senior who is the Best All Around, is voted on by the faculty. A perpetual plaque is engraved with the name of the recipient. The 1976 Headmaster's Award winner, Nelray Rice, was a cheerleader for five years, serving as co-captain of both the varsity football and basketball squads. She played softball and also worked on the newspaper staff. Nelray was the editor of the 1976 WARRIOR yearbook, and she kept the scorebook for the baseball team. Chosen as a Senior Superlative and presented the 1976 Faculty Scholarship, Nelray also reigned as Miss Sweetheart her senior year.

The name of the Headmaster's Award winner is kept secret until graduation night when the two top awards are presented as the highlight of the commencement ceremony.

The second highest award given to a member of the senior class is the Patricia James Bullock Memorial Service Award. This perpetual award, donated in memory of one who served on the first Brookwood Board of Trustees, recognizes outstanding and unselfish service to the school over the previous four years. The 1976 winner, Scott Lyle, has been an active participant in every aspect of student life from sod-laying to furniture construction in the school's formative years to long hours cutting grass or serving as an unpaid custodian. Service means the willingness to help, wherever needed, and the Senior Service Award spotlights this special love for one's school. Scott also has received the Jaycees Math-Science Award.

Robert
Its been really
great knowing
you. Maybe in the
future we can get
to be better friends.
Stay good and
good luck in the
years to come.

Love,
Elizabeth

Robert,
We've known each other along time now. Last year was a good one & this one will be better. I hope we always stay friends, we're a great gang.

Love,
Julie

Robert -
You asked me to sign your annual but I've been stalling because I didn't know what to write. I still don't know what to say. So it - you're a great friend and we've had some great times. I hope it stay that way.

Yours,
"Sido"

Please keep in touch.
Here's my address.
Sincerely,
Cynthia Williams

Dear Roberto

You're one of the sweetest Peoples I know- I hope you'll always stay that way. This year maybe we'll pass and any time you have a problem I hope. And homework. I want you to be sure and call me first. Good luck! I love ya,

Linda
